School of Music

George T. Riordan, Director  
Wright Music Building 150

The purposes of the School of Music are to educate and mentor music students to become articulate musicians, successful as music teachers, performers, composers, scholars, businesspersons in music-related enterprises, and/or students in advanced degree programs; to welcome students whose studies are concentrated in other fields into a community of music education and appreciation, instrumental and vocal instruction, and ensemble participation; to enrich the musical life of the University and community through public music performance and non-curricular instruction; and to provide leadership and maintain professional relationships and activities with musicians regionally, nationally, and internationally.

The school offers programs leading to the Bachelor of Music degree. Students may choose from seven concentrations within this major—Instrumental Music Education, Vocal/General Music Education K–12, Voice Performance, Instrumental Performance, Music Industry, Theory-Composition, and Jazz Studies. Minors in Music, American Music Studies, and Music Industry are also available.

The Philip C. Howard Music Library, located within Instructional Media Resources in LRC 101, houses audio and video recordings, musical scores, and reference materials. Anyone with a valid MTSU ID may borrow scores. Recordings circulate only to faculty and staff but may be used by anyone in-house.

The School of Music has been an accredited baccalaureate and graduate degree granting institutional member of the National Association of Schools of Music since 1970. The Bachelor of Music degree programs with concentrations in Instrumental Music Education and Vocal/General Music Education K–12 are accredited by the National Council for Accreditation of Teacher Education (NCATE).

The School of Music encourages its students to consider study abroad. MTSU is a member of two study-abroad consortia: KIIS (Kentucky Institute for International Studies) and CCSA (Cooperative Center for Study Abroad). Students may earn academic credit for their participation in these programs, and financial aid from MTSU may be used for them. Interested students should contact the
Study Abroad Office, (615) 898-5179, and check the consortium Web sites at www.kiis.org and www.nku.edu/ccsa.

Requirements for Admission to the Bachelor of Music Degree

To be admitted into the Bachelor of Music degree program, all entering students must pass an audition before the faculty on their major instrument or voice. Students who do not pass the audition may be allowed, at the discretion of the faculty, to enroll in private music lessons or class instruction for one semester only. At the end of the semester the student must readmission for admission into the program.

In addition, all prospective new or transfer undergraduate majors and minors are required to take the Music Theory and Aural Skills Diagnostic Exam to determine appropriate placement in the music theory program. For additional information and to schedule a time for the exam, contact the School of Music Office, Wright Music Building, Room 150, (615) 898-2469. Students may not enroll in any music theory course until the exam is taken.

Students seeking a Bachelor of Music degree should refer to The School of Music Undergraduate Student Handbook that serves as the official document of the school concerning specific additional degree requirements and school policies and procedures. It is essential that all music majors consult their advisors each semester.

Curricular listings include General Education requirements in Communication, History, Humanities and/or Fine Arts, Mathematics, Natural Sciences, and Social/Behavioral Sciences categories as outlined on pages 64-67.

All Bachelor of Music Concentrations Require the Following:

General Education Requirements - 41 hours

Music Core Curriculum - 26 hours

<table>

All music majors must take class piano or private piano instruction until they pass the piano proficiency examination prescribed by their degree programs. Students should see their advisors for details.

Students must earn a grade of C- or higher in MUTH 1110, 1120, 2110, 2120 (music theory sequence) and MUHL 1610, 3010, 3020 (music history sequence).

Teacher Licensure

Students seeking a license to teach music in the public schools must complete (1) a major in Music following the concentration in either Instrumental Music Education or Vocal/General Music Education K–12, (2) minor in Secondary Education, (3) the General Education Program, and (4) additional teacher licensure requirements. Students must contact a Secondary Education minor advisor for additional details and requirements relating to Teacher Licensure (see page 163).

NOTE: Please see the Educational Leadership Department on page 166 for Secondary Education minor requirements.

Jury Examinations

All music majors and minors are required to participate in jury examinations in their primary performing areas. Non-music majors registered for private lessons may be required to perform a jury examination at the discretion of the instructor. Jury examinations are held to measure the student’s progress at the conclusion of each semester. Those students who have presented and passed their senior recitals during the semester may be excused from jury examinations.

Undergraduate Music majors must pass a upper-division jury to qualify for applied music study at the MUAP 3000 level. A Music major must take his or her upper-division jury no later than the end of the sixth semester and if not passing must take an upper-division jury again the next semester. A third attempt must be accompanied by extraordinary circumstances and must carry the approval of the studio teacher and director of the School of Music.

Concentrations in Music

Students majoring in Music must pursue one of seven concentrations. Requirements for each concentration follow:

Concentration 1: Instrumental Music Education
