

Motlow State Community College and Middle Tennessee State University

DEGREE ADVANCEMENT PROGRAM

ADVANCE FROM AN A.A.S. TO A BACHELOR'S DEGREE

Motlow State Community College and Middle Tennessee State University Partnership

MTSU and MSCC have developed an A.A.S.–to–B.S. program to allow students who earn an Associate of Applied Science in General Technology at MSCC to transfer the majority of those credits to MTSU toward the completion of a Bachelor of Science in Professional Studies with a concentration in Organizational Leadership. This degree is offered through MTSU's University College in cooperation with the Tennessee Board of Regents.

Bachelor of Science in Professional Studies

The Bachelor of Science in Professional Studies with a concentration in Organizational Leadership prepares the student for management positions in the fields of business and communication. The component courses are in the fields of supervision, organizational systems, communications, statistics, and organizational relations. Other applicable courses include public relations, psychology, business etiquette, human resources, and cultural diversity, offering a broad spectrum of courses designed to prepare students for a variety of careers.

Completing an A.A.S. in General Technology at Motlow State Community College is an excellent foundation for a bachelor's degree program. Sixty (60) credit hours may be transferred from MSCC and credited toward a Bachelor of Science in Professional Studies with a concentration in Organizational Leadership, available through MTSU's University College. You may take some or all of the courses required to complete the bachelor's degree online to allow your studies to fit around your work and family.

How to get started

Contact your MSCC or MTSU representative listed below.

MSCC: Rhonda Cotham
(931) 393-1612
rcotham@mscc.edu

Dr. Randell Bartley

***Transfer Credit:** Motlow State Community College offers a General Technology major designed specifically for Tennessee Technology Center (TTC) students. The career option provides students the opportunity to earn college credit for successfully completing a TTC diploma or certificate program. Students may seek college credit for prior learning after completing a diploma or certificate program at any TTC, including nearby Shelbyville, Murfreesboro, and McMinnville.

MTSU will accept up to 27 credit hours from courses commonly offered in the Jones College of Business toward the B.S. in Professional Studies. This does not include ECON 2410, 2420, or QM 2610. Business courses are subject to verification. Students who take concentrations at MSCC requiring more than these 27 hours will take more than 120 hours to complete the Professional Studies major at MTSU.

Graduation Requirements

- A minimum of 120 total semesters hours and 45 upper-division hours with a 2.0 GPA.
- A minimum of 9 upper-division hours earned in major through MTSU.
- A minimum GPA of 2.0 in major.
- A minimum of 30 upper-division hours must be taken through MTSU.
- A minimum of 60 hours of senior college hours.
- Some students may have high school deficiency requirements.

Effective through Summer 2010

Prior Learning Assessment**	
PRST 3010 Prior Learning Assessment	3

The Professional Studies degree from MTSU is part of the Regents Online Degree Program and is managed by MTSU's University College. It is NOT a business degree.

*Students should consult with their MTSU advisors to determine courses that fulfill program requirements. A list of course options is available on the Degree Advancement Program Web site at www.mtsu.edu/dap.

**Hours earned at a TTC or through an approved training program will not automatically be posted at MTSU by Admissions. In order for credit earned at TTCs or approved training programs to be posted on the MTSU transcript, the student will need to enroll in PRST 3010 Prior Learning Assessment and successfully complete the course. During this course, prior training will be carefully evaluated for up to 30 credit hours.
