DEGREE ADVANCEMENT PROGRAM

ADVANCE YOUR A.A.S. INTO A BACHELOR'S DEGREE

Columbia State Community College and Middle Tennessee State University Partnership

MTSU and CoSCC have developed an A.A.S.-to-B.S. program to allow students who earn an Associate of Applied Science in Veterinary Technology at CoSCC to transfer all required credits earned for this degree to MTSU toward the completion of a Bachelor of Science in Professional Studies with a concentration in Organizational Leadership. This degree is offered through MTSU's University College in cooperation with the Tennessee Board of Regents.

Bachelor of Science in Professional Studies

The Bachelor of Science in Professional Studies with a concentration in Organizational Leadership prepares the student for management positions in the fields of business and communication as well as health care settings. The component courses are in the fields of supervision, organizational systems, communications, statistics, and organizational relations. Other applicable courses include public relations, psychology, business etiquette, human resources, and cultural diversity, providing a broad spectrum of courses to offer preparation for a variety of careers.

Completing an A.A.S. in Veterinary Technology at Columbia State Community College builds an excellent foundation and preparation for a bachelor's degree program. Sixty (60) credit hours may be transferred from CoSCC and credited toward a Bachelor of Science in Professional Studies with a concentration in Organizational Leadership available through MTSU's University College. You may take some or all of the courses required to complete the bachelor's degree online to allow your studies to fit around your work and family responsibilities.
