Message from the VP
John W. Cothern

Welcome to our first “Can Do Crew News.” It is a great start for the voice of our Division and we should thank the Image Committee for their hard work on producing it for us.

As we wind down this academic year, I want to take this opportunity to thank all of you, the Can Do Crew. Thanks for your efforts in helping make MTSU what it is today. It has become the University of choice for middle Tennessee. As MTSU continues to grow and the challenges of limited resources increase, your work speaks volumes for your dedication and commitment to MTSU. I am very proud to be part of the Crew with you.

Again, please join me in thanking the Image Committee and your support of their work for us will be most appreciated. Also, help them by providing input for our newsletter and participating in other Division activities. Speaking of activities, don’t forget the Doughnut Break and our upcoming Awards Ceremony. I hope to see everyone there.
