

Classical Double Bass Audition Requirements

Auditions are required for any student seeking a scholarship and/or acceptance as a music major at MTSU. Official audition dates will be posted. A video recording will only be accepted in special circumstances and with prior approval.

Audition requirements are as follows:

- Two contrasting movements chosen from: a concerto or sonata, short classical pieces and/or etudes. These should effectively demonstrate the lyrical and technical ability of the candidate.
- One excerpt from the orchestral repertoire (the recitative from the 4th movement of Beethoven's 9th symphony is suggested).
- Major and minor scales – 2 octave.

Any questions concerning the audition requirements, admission to the music program or studying classical double bass at MTSU should be directed to Ms. Kathryn Kovanen at:
