- Lexie will send out the town hall dates, and Dianna encouraged committee members to attend when possible.
- Paula and Gina presented their Student Incentives Report, and the committee reviewed and approved the final report with one minor change (staffing was changed to resources for the designated advisor line item).
- Mary and Terri presented the Components Report, and the committee reviewed and addressed the questions. Mary and Terri will compile all of the information to make a final report with the input provided from the committee. This final report along with the Student Incentives Report will be shared with the main QEP Committee on Friday, March 6, by Dianna.
- Our next steps will be determined by the feedback from the main committee on the Student Incentives Report and the Components Report.
