

Ways to get help at **THE TUTORING SPOT**

Tutoring is available in over 200 courses in subjects like biology, history, math, psychology, and study skills/learning strategies.

Campus Tutoring

- Go to www.mtsu.edu/studentsuccess/tutoring.php to find the subject's tutoring schedule.
- Under *Campus Tutoring* select the course subject in the drop down menu and then click the button *Find Tutoring Opportunities*.
- Scroll until you find the course number and then look for the days, times, and location of the tutoring.
- No registration required. Just show up with your Blue ID card any time during the tutoring window.

Online Tutoring

If you are taking at least one online course, you have access to free online tutoring as well. Go to services.smarthinking.com and log in with your username (MTSU email address) and password (MTSU).
