Program Details

A selective 2 ½ day summer leadership program designed to offer high-achieving students a distinctive opportunity to gain insight into the culture and opportunities in a fast-paced Fortune 500 company, leading the healthcare industry. Candidates will participate in hands-on audit demonstrations, community service projects, and team building events/evening socials with department team members. Candidates actively participating in the 2020 Aspire Summer Leadership Program will be evaluated and considered for internship opportunities for Spring, Summer, or Fall 2021.

How Different?

This program is fundamentally unique in that it looks beyond the auditing profession. What do high-achieving students aspire to do after their auditing experience? This program not only provides students insight into opportunities and real-life career experiences within HCA Healthcare Internal Audit, but it takes students a step further. Event participants will hear first-hand from key HCA Healthcare executives whose path to a successful career began with Internal Audit.
