FOR THE DEAF AND HARD OF HEARING

## VIDEO REMOTE INTERPRETING FOR COLLEGE CAMPUSES OFFERED BY BRIDGES FOR THE DEAF AND HARD OF HEARING

When an in-person interpreter is not available,  
**Video Remote Interpreting** on the college campus allows students to:

- meet with professors, advisors, and tutors
- participate in team projects and dorm meetings
- Impromptu meetings and questions
- visit on-campus health care providers
- and more—communication needs outside the classroom.

Bridges for the Deaf and Hard of Hearing offers services for our customers remotely from our offices through a HIPAA-compliant link via the internet.
