A Juried National Drawing Exhibition
March 12 – April 1, 2020

This exhibition invited Artists who engage in a Drawing-based art practice to submit their work to this first juried national exhibition to be held in Todd Art Gallery by the Department of Art and Design at Middle Tennessee State University (MTSU).

This exhibition emphasizes the continuing relevance of Drawing and its application to other disciplines. Artwork exploring innovative methods and experimental materials were especially welcomed.

CRITERIA:

Artists submitted two-dimensional or three-dimensional works, video, and/or installations. Artists are at least 18 years of age, were permitted up to three entries/pieces for consideration, with work that was completed within the previous two years.

****Work from coast-to-coast is included!***
