

01 29 54 – RETAINAGE ESCROW INITIATION

PART 1 - GENERAL

1.01 BASIC REQUIREMENTS

- A. Reference Tennessee Code Annotated (TCA) § 66-34-104.
- B. In accordance with State law retainage shall be deposited into an interest-bearing escrow account if the original Contract Sum is \$500,000 or greater.
- C. Failure to have the escrow account operational by the time of the Contractor's second application for payment will result in delay of payment or inability of the Owner to make payment. Any such delay or inability to pay will not be grounds for relief under the prompt payment statutes.

1.01 BANKING INSTITUTION REQUIREMENTS

The banking institution handling the retainage escrow account must be in an appropriate custodial care agreement with the State Treasurer. If not already in such an agreement, a banking institution can request such an agreement from the State Treasurer, subject to meeting eligibility requirements of TCA §12-4-108(c).

1.03 PROCESS

- A. Shortly after award of contract, the Tennessee Department of Finance and Administration (F&A) will send the Contractor information for starting the account. This information typically includes the following:
 - 1. Procedural guide
 - 2. Forms including the basic application provided herein as Form A.
 - 3. List of banks that currently have agreements with the State to host retainage escrow accounts.
- B. The instructions from F&A will include a name and phone number to call for help if the Contractor needs help completing Form A or if the Contractor plans to use a lending institution that does not have a current agreement with the State for hosting retainage escrow.
- C. Immediately upon award of a contract with a Contract Sum of \$500,000 or greater, complete the Form A shown in this section, arrange for the completed Form A to be executed by the escrow bank, and instruct the bank to submit the original wet-signature Form A to the following address.
