This is a three-fold event:

- a speed style career fair from 10 AM - 11:45 AM; you share a little about your company and positions with up to 4 students at one time, and then the students share with you their resumes and explain their key features and benefits they can offer your company. After 15 minutes, a bell rings and the students move to a different table and another round begins.

- a traditional style career fair from 12:15 PM - 2 PM so you can spend as much (or as little) time you want with each Student.

- a "private interview" area if you decide you want the opportunity to interview students in depth.

The event will cover 1.75 hours in the morning and 1.75 hours in the afternoon to capture a larger student population. With each table registration, you will be provided 2 box lunches; lunch will be from 11:45-12:15.

Parking is available in the Student Union Lot next door to the Student Union Building. Please see the attendant for a pass upon arrival.
