

# WHAT can I do with a degree in: Integrated Studies

The **Bachelor of Science in Integrated Studies** is a flexible degree and is an excellent option for students seeking broad-based educational experience or wanting to custom-design a degree program. Many students find this path helpful if they want to graduate earlier and utilize the credits they already have.

**Students in this program choose two areas of emphasis (12 hours each) to meet their personal and professional goals along with an Area of Support/Minor (15-18 hours).**

## **Concentrations:**

Integrated Studies, Applied Leadership Concentration  
Integrated Studies, Public Safety Concentration

***Career possibilities are wide-ranging.*** Here are some potential occupational pathways, which include some positions held by MTSU graduates with this degree:
