Annual Records Destruction Days: October 22—23, 2018

MTSU’s annual records destruction days will take place on October 22 and 23, 2018. Designated Records Coordinators for departments and divisions should ensure records scheduled for destruction are entered into the MTSU Records Retention Database. Records scheduled for destruction also must be approved in advance by the Records Officer, Mrs. Carroll Lewis.

New Procedure. A new procedure for this year allows departments and divisions to pre-schedule the pick-up of their boxed records for destruction by Receiving and Moving. Records Coordinators should contact Receiving and Moving between September 28 and October 18 to pre-schedule the pick-up of boxes. The vendor will then pick up boxes from the Distribution Warehouse to complete any records shredding. If you have not called Receiving and Moving by October 18, you must bring your boxes to the Distribution Warehouse during the Records Destruction...

Policy and Procedural Updates

Policy 12—Conflicts of Interests, provides a Conflict of Interests (COI) Disclosure Form, which is distributed by the Office of Human Resources annually in March. Recently, the COI Disclosure Form (COI Form) was updated. The updated COI Form includes a signature line for employees to sign, as well as asks employees to attach any documentation and/or explanations for any COIs disclosed.

dates (October 22-23).

For additional information on the University’s annual records destruction days, please contact the Records Officer at RDAretention@mtsu.edu, or Carroll.Lewis@mtsu.edu.

Risk Assessments

Risk assessments in 2019 will focus on the Divisions of Student Affairs, University Advancement, and Marketing & Communications. As with 2018, the University also will prepare an institution-wide risk assessment report utilizing the State of Tennessee’s risk assessment forms that aligns with the Government Accountability Office’s “Green Book” on creating, maintaining, and assessing financial and operational internal controls.

Information regarding the risk assessment process for 2019, as well as instructions on the use of the new forms will be distributed to the three, aforementioned Divisions by MTSU’s Records Officer, Mrs. Carroll Lewis by early February 2019.

For additional information regarding the risk assessment process, or the State of Tennessee’s risk assessment forms, please contact carem@mtsu.edu.
Did you know?

1. Campus Pharmacy is covered under HIPAA and provides employees and students with HIPAA Privacy Practices.
2. Athletics compliance involves both adherence with NCAA regulations and By-laws, as well as training to, and support of, our student athletes in the areas of sportsmanship (on and off the field); academic persistence; and ethical conduct.
3. Counseling Services added a staff member to better serve MTSU students. A fee is now assessed for all missed appointments to assure the utilization of available counseling slots to students who might benefit from an earlier appointment.

The revised COI Form can be found within Policy 12 on the University’s Policy page. For additional information, regarding the COI procedures, please contact the Office of Compliance and Enterprise Risk Management at carem@mtsu.edu.

Policy 785—Unmanned Aircraft Systems, provides information and guidelines regarding the procedures for using and flying Unmanned Aircraft Systems (UAS) over and around University-owned property. Previously, the UAS Guidelines referenced in Policy 785 included a 14 day application and review process. The application and review process for UAS will be reduced from 14 days to five (5) calendar days.

All employees and/or external vendors and companies desiring to fly UAS over and around University property should provide an application, with any required, supporting materials, to the Office of the Provost or the Office of the Vice President for Business and Finance. Applications must also include a Flight Plan that provides the following details:

- UAS registration number
- Aircraft make and model
- Location of flight area/operation
- Altitude
- Time of flight (takeoff to landing, inclusive of all intended flights)
- Special remarks (if applicable)
- Pilot in Command name and telephone number

Applications will be reviewed and approved by the UAS Operations Manager in the Aerospace Program and/or the Office of Compliance and Enterprise Risk Management. For additional information regarding Policy 785 or its corresponding guidelines, please contact any of the following offices:

- Office of University Counsel
- UAS Operations Program in the College of Basic and Applied Sciences
- Office of Compliance and Enterprise Risk Management

Regulatory Minute: What’s Going On?

- Risk Assessments. Risk Assessment reports for the Divisions of Business and Finance and Academic Affairs, as well as for the entire institution, were approved by the Audit and Compliance Committee of the Board of Trustees on September 18, 2018. Risk Assessment reports for 2018 were sent to the State Auditor.
