

Secondary Education Minor

College of Education
Middle Tennessee State University

Academic Major Areas Leading to Bachelor of Science Degrees and Teacher Licensure

The Womack Family Educational Leadership Department within the College of Education houses the Secondary Education minor, which leads to teacher licensure at the secondary level. **Students wishing to teach at the secondary level major in the desired content area and minor in Secondary Education.**

Most secondary education programs certify graduates in grades 6-12, though some are offered as K-12 certifications.
