How is Transfer CUSTOMS structured?

Transfer students needs vary based on your previous college experience. Some of you are well equipped to understand how to be a successful student in a college environment. Some of you may have had a much different experience at your previous institution, and want a more in-depth orientation to MTSU. There are two options for transfer students.

All transfer students are REQUIRED to complete CUSTOMS Online, our online informational modules that acquaint you with the resources on campus and the knowledge to prepare you to be successful at MTSU.

1. **On campus CUSTOMS experience**

   You can choose to come to campus for a more in-depth orientation to campus by selecting the May 23, June 9, or the July 25 Transfer CUSTOMS session. You will spend one day with our students and campus administration learning your way around campus and meeting other students. You will receive academic and course registration.

2. **VIRTUAL Advising and Registration only**

   You can choose to participate only in VIRTUAL Advising and not an on-campus CUSTOMS orientation experience. By choosing any of the other transfer CUSTOMS dates, you will be participating in only virtual advising and registration on that date. Those dates are April 21, May 12, June 19, July 11 and August 3.
