How is Transfer CUSTOMS structured?
Transfer students needs vary based on your previous college experience. Some of you are well equipped to understand how to be a successful student in a college environment. Some of you may have had a much different experience at your previous institution, and want a more in-depth orientation to MTSU. There are two options for transfer students.

All transfer students are REQUIRED to complete CUSTOMS Online, our online informational modules that acquaint you with the resources on campus and the knowledge to prepare you to be successful at MTSU.

1. On campus CUSTOMS experience, followed by virtual advising the next day
You can choose to come to campus for a more in-depth orientation to campus by selecting the July 13 or the August 5 Transfer CUSTOMS session. You will spend one day with our students and campus administration learning your way around campus and meeting other students. You will receive information about your academic major and will be scheduled for a virtual advising appointment and course registration the following day.

2. VIRTUAL Advising and Registration only
You can choose to participate only in VIRTUAL Advising and not an on-campus CUSTOMS orientation experience. By choosing any of the other transfer CUSTOMS dates, you will be participating in only virtual advising and registration on that date. Those dates are April 24, May 11, May 28, June 11, June 22, and July 30.
