

# StudentAid.gov Account Creation Instructions (step-by-step) for Individuals Without a Social Security Number (SSN)

This process outlines the steps needed in order for an individual without an SSN to have their identity verified and StudentAid.gov account created.

**Step 1:** An individual should visit StudentAid.gov, select “[Create Account](#)” and complete all steps, including answering 1-4 knowledge-based verification questions via TransUnion®.

**Step 2:** Upon completing the Create Account process, the individual will see a confirmation page with the results of their identity verification. If they failed the TransUnion® process, the individual will be informed that FSA was unable to verify their information and that they must contact the Federal Student Aid Information Center (FSAIC) at 1-800-433-3243.

*Note: The individual will also receive an email from FSA informing them to call FSAIC for next steps and verify their identity.*

**Step 3:** Once the individual contacts FSAIC, FSA will create a case number and send them a verification email, which will include guidance on how to submit copies of unexpired acceptable documentation (listed below) to verify their identity. Individuals will also be required to submit an attestation and validation of identity form along with their approved identity documentation. This form will be available on <https://studentaid.gov/forms-library>.
