Incarcerated Student Verification Form

Name: _____ M#: _____

Address: _____

The Financial Aid Office has received information that indicates you may be currently incarcerated. To determine if you are eligible for federal financial aid, additional information is required:

Incarcerated students have limited eligibility for federal student aid based on the type of facility where incarcerated. Check one of the boxes below based on your most **recent** incarceration. You must provide proof of your incarceration and release, if applicable.

<input type="checkbox"/> I am / was incarcerated in a federal or state penal institution. Date of Incarceration: _____ Expected Date of Release: _____ Name of Facility: _____ Type of Offense: _____	<p>➤ You are not eligible for a Federal Pell Grant or federal student loans.</p>
<input type="checkbox"/> I am / was incarcerated in an institution other than a federal or state institution, such as a local penitentiary, prison, jail, reformatory, work farm, etc. Date of Incarceration: _____ Expected Date of Release: _____ Name of Facility: _____ Type of Offense: _____	<p>➤ You are not eligible for federal student loans.</p> <p>➤ If otherwise eligible, you may receive Federal Pell Grant.</p>

Once you are released, most eligibility limitations related to incarceration will be removed. However, if your incarceration was for a drug-related offense or if you are subject to an involuntary civil commitment for a sexual offense, your eligibility may still be limited.

I attest to the accuracy of the above information, and understand if I become ineligible, I agree to repay the amount of any funds incorrectly received.
