About Donor Confirmation

Your TBRECC pledge card attached to the bottom contains a special donor confirmation area. If you would like to receive a letter confirming receipt from each agency you designated to, then you must complete this portion of the pledge card. This information is used solely for donor confirmation and not for further solicitation. Your name will not be sold to any mailing list or used for any other purpose.
Community Health Charities is a nonprofit that raises awareness and resources for health and wellness by connecting more than 2,000 of the most trusted health charities across the United States with more than 17 million caring donors through workplace giving campaigns, causes, wellness programs, employee engagement, and strategic partnerships.

Health has never been such a priority: 77% of U.S. workers suffer from at least one long-term health condition, ranging from cancer to asthma – chances are someone you know is affected.

Through the Tennessee Board of Regents Charitable Giving Campaign, your gift can help build stronger, healthier communities.

The Tennessee Afterschool Network (www.tnafterschool.org) supports children, youth, families and communities by building access to healthy and nurturing afterschool and summer learning experiences. In addition to helping parents work knowing that their children are safe, research shows that students participating in high-quality afterschool programs:

• earn higher grades and are more likely to advance to the next grade and graduate from highschool
• have opportunities for physical activity and healthy snacks.
• are less likely to abuse drugs or alcohol.
• gain workforce skills, including teamwork, leadership, and critical thinking.

The American Cancer Society’s mission is to save lives, celebrate lives, and lead the fight for a world without cancer. By funding and conducting research, sharing expert information, supporting patients, and spreading the word about prevention we are attacking cancer from every angle.

Founded in 1946, the Tennessee Wildlife Federation is dedicated to the conservation of our state’s wildlife and natural resources. Through programs such as public policy, Hunters for the Hungry, the TN Scholastic Clay Target program, and TWF Youth Hunts, we work to connect people to the great outdoors in ways that will conserve our natural heritage for generations to come.

Children born with birth defects that cause face and skull deformities require specialized surgeries. Faces: The National Craniofacial Association takes care of these children and their families while treatment is received. Your gifts help to put smiles where there were no faces. Rebuilding faces – Rebuilding futures. Please visit faces-cranio.org

Founded in 1958, Rocky Mount Historical Association (RMHA) engages thousands of people of all ages each year in discovering how Northeast Tennessee’s heritage continues to define and shape our local and regional communities. RMHA manages Rocky Mount Historic Site (an historic 18th & 19th Century farm and the first capital of what became Tennessee) as a unique educational environment in which living history interpretation, hands-on learning, programs and special events bring history to life. www.rockymountmuseum.com

Every day, the Y supports kids, adults, seniors and families with programs that protect, teach, connect, nourish and encourage. Everything we do helps give potential to our community and for the “us” who live here to thrive. We can’t do it alone. That’s why we hope you’ll donate to the Y. Your gift helps us support children with special needs, financial assistance to families who need it, and make a positive impact on our neighbors. At the YMCA, one of our most important goals has always been to enrich the lives of kids in our community. Giving kids a safe and nurturing place to go benefits everyone. By introducing them to experiences that will help them grow into responsible, successful adults, we make the community we love a better place to live. One child at a time. One family at a time.

CHIPS (Change Is Possible) mission is to provide shelter and services to victims of domestic violence to enable them to begin and maintain a life free of violence. Services provided are a crisis hotline, counseling, referral, case management, legal advocacy and Rapid Re-Housing.
