There are three independent charitable organizations conducting a wide range of health, welfare and educational programs, and providing services to individuals across the state.

The American Cancer Society

The American Cancer Society - Tennessee Chapter exists to improve the lives of cancer patients and their families. We are the only organization that integrates discovery, advocacy, and direct patient support to measurably improve lives. Our work removes barriers to care so people in every community can have an equitable opportunity to prevent, detect, treat, and survive cancer. Through direct patient support, we provide free lodging at our Hope Lodges, rides to treatment, and 24/7 access to resources at 1.800.227.2345. Contact kellyjamerson@cancer.org

The Foundation for the College System

The Foundation for the College System of Tennessee is the primary charitable organization of the College System of Tennessee, composed of 13 Community Colleges and 24 Tennessee Colleges of Applied Technology. The Foundation was established to support the System through advocacy, marketing, and, most importantly, fundraising to benefit the programs and faculty serving them. The mission of the Foundation is to encourage, support, and promote the advancement and awareness of the System and its member institutions as it serves as a vital workforce development resource. The Foundation assists in fundraising and capital campaigns and creates opportunities for the System not provided by state funding.

The Center for the Arts

The mission of the Center for the Arts is to enhance the quality of life in our community by providing cultural and economic enrichment through the arts. CFTA is located in historic downtown Murfreesboro and produces more than 13 shows a year. The Center for the Arts includes a gallery space and hosts exhibits by local and regional artists and is open to the public. CFTA is also home to Center Stage Academy – a program for youth ages pre-k through high school that provides performing and visual arts classes through after school programs and summer camps. Center Stage Academy offers scholarship opportunities for low-income students who are interested in the performing arts.

United Ways of Tennessee fights for the health, education and financial stability of every person in our state, and our efforts provide:

- Crisis response, food and shelter for victims of disasters, such as the pandemic, floods, and tornadoes
- Health care for vulnerable people who would otherwise go without
- Basic needs for those facing tough times
- Safe havens from domestic abuse
- Volunteer opportunities to support our communities
- Job skills for people who want to work
- Programming to engage and educate children and youth
- Free 2-1-1 phone access in every county to find health and human services

When you give to United Way, you can give to a specific charity, a combination of charities, or you can designate directly to United Ways of Tennessee for statewide efforts or to a member United Way that serves your local community.

Together, we can inspire hope and create opportunities for a better tomorrow. That's what it means to **LIVE UNITED™**

**We also are proud to lead the Tennessee Afterschool Network and are grateful for donations for this initiative!**

The Tennessee Afterschool network supports children, youth and families by building access to healthy and nurturing afterschool and summer learning experiences. Out-of-school-time programs give parents peace of mind, allow them to work a full schedule, and help them be more productive on the job and successful in their careers, including our essential workers. They also offer social and emotional support and enriching activities that spark kids’ interest in school and learning.

Research shows that students participating in high-quality afterschool programs are less likely to abuse drugs or alcohol; are more likely to advance to the next grade and graduate from high school; earn higher grades and do better on standardized tests. Some out-of-school-time programs even provide opportunities for youth to gain employability skills, connect with local businesses, and explore possible careers.

United Way of Humphreys County has been working for over 20 years to improve the quality of life for our residents here in Humphreys County. Along with workplace campaigns and our annual radio auction, we also support the TN Scholars program and work our local "Stuff the Bus" initiative each year. We are expanding our community impact through new programs and partnerships daily. We have also been working this past year to help our community recover from the devastating floods that swept through our county, taking 20 beautiful souls from us and leaving thousands displaced. We have truly embraced the saying “Live United” because together, we can overcome and recover.

UNITED WAY OF THE MID-SOUTH

ALBERT EDWARDS 901-433-4325

United Way of the Mid-South asks you to unite with it in the fight against poverty by improving education, financial stability and health in Fayette, Lauderdale, Shelby and Tipton counties. Local volunteers examine our area’s needs and nonprofit services so your donations can have the greatest impact on individual lives and our overall quality of life. Our “Driving the Dream” initiative is making a difference in the way nonprofits work with citizens in poverty so people in need can chart their dreams and design a working roadmap to success.
