MIDWEEK MESSAGES FROM THE COLLEGE OF GRADUATE STUDIES

Volume 1, Issue 11

Pictured: three stacks of processed paper forms from three graduation analysts. By replacing our paper forms with Dynamic Forms, the College of Graduate Studies is going green while increasing our accountability and efficiency.

You're Invited: Virtual Workshop Sessions

The second summer 2019 virtual workshop wrapped up this week with two sessions on CGS Dynamic Forms. You can [click here to view the CGS Dynamic Forms slideshow](#). The Askgrad slideshow from the previous week's session is also available at that link.

Next week's sessions are about DegreeWorks. Graduate faculty and staff are invited to attend sessions on June 11 at 2:30 pm or June 12, 2019, at 10:00 am. Click on the following links to access the Zoom rooms, or you can read more about the sessions [on this website](#).

Tuesday, June 11 Session

Wednesday, June 12 Session

New Dynamic Forms

- The pilot test for the [Advising Form](#) is looking for more programs! Does your Degree Plan need to be updated? Use this opportunity to switch to the Advising Form instead. It works in conjunction with DegreeWorks to replace the old Degree Plan model and is more efficient. Email Melissa.Houghton@mtsu.edu if you are interested in switching.
- Students may now submit residency documents using the [EVEA Form](#). This form can be found in the Forms for New Applicants section of the [Forms page](#). CGS is no longer accepting residency documents on the Admissions Materials Upload link now that the EVEA Form is live.

Reminders

- **If you have outstanding catalog folders, please submit them to the College of Graduate Studies immediately.**
- The askgrad@mtsu.edu email address **cannot** accept attachments.
