Psychology, B.S. 2025

Graduate Degree(s) Title & Year/Expected Graduation (Ex. Chemistry, M.S., 2026)

Professional Counseling, Clinical Mental Health Counseling Concentration, Ed.S., 2027

Why MTSU?

I grew up in Murfreesboro and went to MTSU for my undergraduate degree, and I loved every second of it! I ended up starting my masters program at another university, but it was just not the same. I missed the community and support that attending MTSU has always brought me. I was able to transfer back to MTSU for the same master's program, and it feels like I was able to pick up right where I left off as a MTSU student. These experiences have made me so happy to be a Blue Raider!

How did/is your program helping you prepare for your career/industry?

The MTSU Clinical Mental Health Counseling program has helped prepare me for my career by providing a strong combination of knowledge, experience, and opportunities for professional growth. One of the most valuable aspects of the program has been the opportunity to apply what I have learned through real clinical experiences. Working directly with clients has allowed me to feel much more confident about entering my profession and providing my future clients with the empathy and care they deserve.
