Alumni Association President

On behalf of the Middle Tennessee State University National Alumni Association, I congratulate you on joining our international network of more than 155,000 MTSU alumni. As a student, you embraced MTSU's core values of honesty and integrity, respect for diversity, engagement in the community, and commitment to nonviolence. As an alum, we hope that you represent our alma mater well throughout the world, actively contribute to your field, and are civically engaged.

Always be proud of the excellent education you received here and remain connected to your faculty and fellow alumni. Stay involved with the Alumni Association by following MTSU Alumni on social media, calling the Office of Alumni Relations at 1-800-533-MTSU (6878), and visiting mtalumni.com.

Take time today to reflect on how your life was changed while at MTSU and celebrate the hard work you put in to earn your degree. Congratulations again!

Friday Afternoon Address

Dr. Rob Payne

Owner, Payne Analytics

Dr. Rob Payne is the owner of Payne Analytics, which specializes in providing nutrition design and consulting to the animal production and pet food industries. He received his B.S. in Animal Science from Middle Tennessee State University in 1997, then earned his M.S. (2000) and Ph.D. (2004) in Animal Nutrition from Louisiana State University.

Before starting Payne Analytics, Payne served 20-plus years in various regional and global nutrition, marketing, and business roles for Cargill Animal Nutrition, Elanco Animal Health, and Evonik Animal Nutrition. He has successfully built technical, marketing, and sales teams around the world while also growing business and expanding the knowledge of nutrition.

Payne has been an invited speaker at key industry conferences around the world, and he has 20-plus peer-reviewed papers published in high impact and internationally recognized journals. He has served on the editorial boards for the *Journal of Animal Science* and *Poultry Science* and currently sits on the North American Board of Directors for the Digestive Physiology of Pigs Symposium. Payne also serves on the MTSU Alumni board and is the current president of the MTSU National Alumni Association.

Payne grew up in Smyrna but now lives near Lafayette, Louisiana, with his wife, Gretchen, and their sons, Whit, 14, and Sam, 12.

Saturday Morning Address

The Honorable Cameron Sexton

Speaker, Tennessee House of Representatives

Cameron Sexton is the speaker of the Tennessee House of Representatives, a position he has held since 2019. A conservative member of the Republican Party, Sexton represents District 25, which includes portions of Cumberland and Putnam counties. Elected to the House in 2011, Sexton rose through the House ranks through hard work, strong leadership, and his willingness to fight for conservative policy initiatives.

His leadership in the legislature has focused on conservative approaches to fiscal responsibility, patient-driven health care, student-based educational reforms, and safer communities and streets. As speaker, Sexton has been a staunch advocate for cutting taxes, promoting pro-business policies, and strengthening the state's economic standing. He continues to be a vocal advocate for law enforcement, first responders, and victims of crimes—emphasizing public safety and tougher sentencing for violent criminals.

Known for his pragmatism and commitment to Tennessee, Sexton continues to lead the state's legislative agenda and policy development. He currently lives in Crossville with his wife, Lacey, and three children (Greer, Olivia and Nathaniel) and works with One Bank of Tennessee and serves on its board of directors.

Saturday Afternoon Address

Ms. Tracey Rogers

Vice President, Nexstar Media Group Inc.

Tracey Rogers serves as vice president with Nexstar Media Group Inc., working with multiple media markets. She served as vice president and general manager of WKRN-TV, the ABC affiliate in Nashville. Rogers also has held the position of vice president and general manager at WMC-TV, the NBC affiliate in Memphis, and KAIT-TV, the ABC affiliate in Jonesboro, Arkansas.

Rogers has served as news director at WMC-TV; at WAFF-TV, the NBC affiliate in Huntsville, Alabama; and at WPSD-TV, the NBC affiliate in Paducah, Kentucky.

She started her career in Nashville, where she was the assistant news director at WKRN-TV and worked at WTVF-TV, the CBS affiliate, and WSMV-TV, the NBC affiliate.

Rogers has a degree in Broadcast Journalism from Middle Tennessee State University. She is proud to be True Blue!

Rogers has been awarded three Emmy awards, four Associated Press awards, and two Murrow awards. She has served on the boards for the Better Business Bureau of Middle Tennessee, the National Academy of Television Arts & Sciences, and Tennessee Association of Broadcasters, and she is a past chairman of the Tennessee Association of Broadcasters board.

Mace and Chain of Office

Originally a medieval knight's weapon, the mace evolved into a symbol of royal scepters in various crown jewel collections. Large versions of the scepter have come to represent the power and authority of institutions such as our University. The mace measures 50 inches in length and is made of Tennessee cherry wood embellished with sterling silver and lapis lazuli. The Tennessee flower, the iris, denotes the public the University serves who, by their loyalty, give it strength and power. The leaves form a crown to symbolize the ennobling achievements of our graduates. Tennessee freshwater pearls, the official state gem, suggest the inestimable value of inquiring minds. The streamer on the wooden shaft carries the names by which the University has been known since its founding. The finial at the base of the mace is a stylized nut, representing the seed from which springs the mighty tree of those committed to lifelong learning.

The chain of office worn by the president is made of sterling silver. The lapis lazuli gems, mounted on scroll shapes, represent the colleges within the University. The knotted components depict the interdependence of knowledge and the various academic programs of MTSU. The lapis lazuli and sterling represent the University colors of blue and white. The Great Seal of the State of Tennessee embellishes the medallion suspended from the chain, representing the University as part of the Tennessee higher education system.

These unique emblems of authority were designed and crafted by Professor Klaus Kallenberger, formerly of the Art Department. The mace and chain of office are a generous gift to the University from the MTSU Foundation.

MACE BEARERS

Friday afternoon

Ms. Bess Rogers is an assistant professor in the Department of Recording Industry's Commercial Songwriting program and an award-winning singer-songwriter, multi-instrumentalist, and music producer whose work has been featured in national advertising campaigns, on hit television series, and at venues across the world.

Rogers graduated from State University of New York at Purchase with a master's degree in Studio Composition. For nearly a decade, she was lead guitarist and backup singer for platinum-selling artist Ingrid Michaelson. Together they performed on iconic stages such as Madison Square Garden in New York, on live television including *Late Night with Conan O'Brien* and *Good Morning America*, and on many of Michaelson's records. Rogers was also co-producer on Michaelson's album *Songs for the Season Deluxe Edition*, which included a duet with musician and actress Zoëy Deschanel.

Rogers has released four solo records, and her original songs have been featured on many TV shows including *Pretty Little Liars*, *One Tree Hill*, and *Love Is Blind*, as well as in advertisements for brands such as Cheerios, Mott's, Hershey's, Google, Facebook, New Balance, Cadillac, and more. Her rock band, Secret Someones, released its self-titled album on Interscope/Cherrytree Records and toured internationally with artists such as Feist, Ingrid Michaelson, Marianas Trench, A Great Big World, and more. Rogers also played guitar in Broadway's first all-female pit band for The Go-Go's musical, *Head Over Heels*.

After moving from New York to Nashville, Rogers joined MTSU's Recording Industry faculty. In her first year, she collaborated with filmmaker and colleague Allie Sultan on "We Do It All," a commercial showcasing MTSU's College of Media and Entertainment that centered around an original song written by Rogers' students and co-produced by Rogers. The spot was broadcast nationally on CMT and has won numerous awards, including an Emmy for Best Commercial Spot and three Silver Telly awards.

Currently, Rogers is writing an audio sci-fi drama called *Moonbound*, which will be released as an Audible Original series in 2025.

Saturday morning

Dr. Grant Gardner has been a Department of Biology faculty member at MTSU since 2013. He earned his B.S. in Biological Sciences from Vanderbilt University, an M.S. in Zoology from North Carolina State University, and a Ph.D. in Science Education Research from North Carolina State University. Gardner focuses on discipline-based education research associated with the interdisciplinary Mathematics and Science Education Ph.D. program. His current research focuses on the professional learning and preparation of graduate students in the science, technology, engineering, and mathematics (STEM) fields.

Gardner's research has been primarily funded by the National Science Foundation, with notable grants including: Promoting Active Learning Strategies in Biology (\$437,931) in 2013–18; The Biology Teaching Assistant Project 2.0: Networking for Change (\$499,685) in 2015–21; A Delphi Study of Department Cultural Effects on Biology Graduate Student Teaching Professional Development (\$272,956) 2023–; Preparation and Refinement of Postdocs in STEM for Disciplinary-Based Education Research (\$1,249,445) 2023–; and Advancing the Culture of Teaching in STEM through Diffusion of Strengths-Based Reflexivity (\$1,333,690), which began last summer. He also has received funding from the Tennessee Board of Regents and MTSU's Faculty Research and Creative Activity Committee to support his team's work.

Dissemination of this work includes six book chapters, over 40 peer-reviewed publications, and over 200 invited and peer-reviewed scholarly presentations.

Gardner is most proud of the opportunity this scholarship has allowed for collaboration and mentorship. He enjoys engaging undergraduate students with a love of biology and has taught several hundred undergraduate students during his time at MTSU. Gardner has mentored or is mentoring four postdoctoral research scholars, 14 Ph.D. students, three M.S. students, and over 20 undergraduate researchers. Without the collaboration of mentees, the discipline-based education research community at MTSU, his biology disciplinary community, and national and international collaborators, none of this work would have been possible. He also values the continued support of leadership at MTSU within his department and college and through the Office of Research and Sponsored Programs.

Saturday afternoon

Mr. Doug Dabbs is a comic book artist and an associate professor in MTSU's Department of Art and Design, where he teaches illustration courses. With over 15 years of experience teaching at the undergraduate and graduate levels, he played a key role in designing and launching MTSU's first illustration curriculum pathway and illustration library, significantly enhancing the University's academic offerings. In recognition of his contributions to teaching and mentorship, Dabbs has received MTSU's 2024 Outstanding

Teaching Award, the 2024 Outstanding Experiential Learning Faculty Award, and the 2020 College of Liberal Arts Faculty Student Mentoring Award.

Dabbs' research focuses on dynamic visual storytelling and sequential art that engage viewers through participation and analysis. His comics and graphic novels have been published by Image Comics, Oni Press, 12 Gauge, and Desperado Publishing, with a forthcoming graphic novel accepted by Clover Press. Dabbs is the co-creator and artist behind the critically acclaimed comic series *Klik Klik Boom*. His work has been featured in over 60 exhibitions at galleries, museums, and conventions in locations such as South Korea, North Macedonia, Toronto, New York, California, and England. Additionally, his illustrations have appeared in 26 peer-reviewed art and literature publications including *Burningword Literary Journal*, *High Shelf*, *ArtAscent Art & Literature Journal*, *Creative Quarterly: The Journal of Art and Design*, *Brightness Magazine*, and *Under the Sun Literary Journal*. He also serves as the comics chair for the esteemed 3x3 Illustration Awards and Show, an annual international illustration competition.

Dabbs' artwork has earned international acclaim, receiving a Gold Award from the Society of Illustrators Los Angeles, along with 15 awards from *American Illustration*, *Brightness Illustration*, *3x3*, *Cheltenham Illustration*, and *Creative Quarterly*. He holds both a B.F.A. and M.F.A. from Savannah College of Art and Design, where he was awarded the Presidential Medal for his research and creative work.

Academic Regalia

The black gowns and colorful hoods traditionally worn in Middle Tennessee State University Commencement ceremonies have their origins in the Middle Ages.

A statute in England in 1321 required that all “Doctors, Licentiates, and Bachelors” wear gowns. In the second half of the 14th century, the statutes of certain colleges forbade “excess in apparel” and prescribed the wearing of a long gown. Scholars were often clerics, as well, and they adopted costumes similar to those of monastic orders. While the special attire covered rank or social status, thus lending a uniform look to ceremonies, it also served another purpose: warmth in drafty, unheated buildings.

As the universities began to pass from the control of the church, colors often were added to the somber robes and hoods, eventually signifying the degrees and specializations.

The cut of the gown, which is usually black, also varies with the degree held—pointed sleeves for the bachelor’s degree; long, closed sleeves with a slit in the arm for the master’s degree; and round, open sleeves for the doctoral degree. While the bachelor’s and master’s gowns have no ornamentation, the doctoral gown is faced down the front with velvet and has three velvet bars across the sleeves.

At Middle Tennessee, hoods are worn by holders of the master’s and doctoral degrees, with the latter being longer. Hoods are lined with the official colors of the universities that conferred the degrees; thus, holders of degrees from MTSU wear hoods lined in blue and white. The velvet edging on the hood, and often the velvet edging on the gown, represents the wearer’s major academic field. Further, the velvet bars on the sleeves may be either black or the same color as the discipline color of the hood. Colors associated with various subjects follow:

Agriculture - Maize
Arts, Letters, Humanities - White
Commerce, Accountancy, Business - Drab
Criminal Justice - Midnight Blue
Economics - Copper
Education - Light Blue
Fine Arts - Brown
Home Economics - Maroon
Journalism - Crimson
Law - Purple
Library Science - Lemon
Music - Pink
Nursing - Apricot
Oratory (Speech) - Silver Gray
Philosophy - Dark Blue

Physical Education - Sage Green
Public Health - Salmon
Science - Gold
Social Work - Citron

The black cap, either a mortarboard or a tam, is customarily worn. There is no general rule for the position of the tassel. In practice at Middle Tennessee State University, the tassel is worn on the right. It may be shifted to the left after the degree is awarded. Men may remove their caps during the prayer, the playing of the alma mater, and the commencement address.

Undergraduate Latin honor graduates are distinguished by the stoles added to their gowns based upon the inclusive GPA: gold for those graduating summa cum laude, 3.90 to 4.0; silver for magna cum laude, 3.75 to 3.89; and white for cum laude, 3.50 to 3.74.

Graduating from the University Honors College is an additional merit awarded to students who have completed the Honors program, defended a thesis, and have a cumulative grade point average of 3.25 or higher. Graduates of the University Honors College who have completed at least 29 hours with a 3.25 average in the Honors program will receive blue and white cords. Those who have maintained a minimum average of 3.65 in the Honors program are graduating the University Honors College with distinction.

Since 1993, graduates of the University Honors College have received the official Honors medallion in recognition of their final thesis defense and completion of special requirements of the college. The medallion is a replica of the official seal of the University Honors College and depicts a lighted torch, three Ionic columns, and a lightning bolt. Respectively, these symbolize the search for truth and knowledge, the stability and unwavering commitment to pursuing knowledge, and the flash of enlightenment or creative energy.

Some academic honor societies and programs may provide cords, ribbons, medallions, or lapel pins designating the achievement and involvement of their members.

Military veteran students are distinguished by specially designed red stoles in recognition of their admirable service to their country.

Experiential Learning Scholars are distinguished by blue, silver, and white cords. These scholars completed EXL-designated hands-on learning courses, an off-campus service activity, an on-campus service activity, and a portfolio of reflections on their EXL activities. The EXL program provides

students with opportunities for hands-on experience, valuable networking, and an opportunity to explore career paths through real-world experience.

MT Engage Scholars are distinguished by royal blue, white, and gold cords. These students completed MT Engage-designated courses that promote active learning and integrated their learning by reflecting on connections across disciplines and between their academic and cocurricular experiences. MT Engage students showcased their integrative learning in an ePortfolio that documented their community and campus involvement as well as the academic knowledge and skills they gained during their time at MTSU.

International students may wear colorful sashes that represent their country of origin. Each sash symbolizes, in color and design, their country's flag.

Undergraduate Research students graduating with Distinction are wearing a dark blue, light blue, and white cord. These students graduating with Scholar Distinction are also wearing a medallion to recognize their completion of a research or creative project, its dissemination to the MTSU campus and/or a nationally recognized conference, and their engagement in promoting undergraduate research to the campus.

Most American colleges and universities have adopted a uniform code. However, at any academic gathering, costumes often are worn that are not described by these guidelines. Some of these may be from foreign universities, with others from American institutions that have preferred to remain with the European tradition of allowing each school to determine its own costume. Silver medallions worn by faculty denote 15 years of service, gold medallions represent 25 years, and blue and gold medallions represent 35 or more years of service.

Academic Banners

The banners carried and displayed at Commencement represent the University; its nine colleges (Basic and Applied Sciences, Behavioral and Health Sciences, Business, Education, Liberal Arts, Media and Entertainment, Graduate Studies, University College, and University Honors); Walker Library; and the Faculty Senate. Art Professor Janet Higgins, her student Kristi Baughman, and Darrell Callis Burks,

designer in Creative and Visual Services and 2000 B.F.A. graduate, designed and executed the banners. The colors used in each banner represent disciplines within the colleges. The University seal appears in the center of each banner, symbolizing that the whole is greater than any of its parts.

Alma Mater

words and music by Charles Douglas Williams (B.M. '54)

We sing thy prai - ses faith - ful guide of youth;

The first system of musical notation for the song 'Alma Mater'. It features a grand staff with a treble and bass clef, a key signature of one flat (B-flat), and a 4/4 time signature. The melody is written in the treble clef, and the accompaniment is in the bass clef. The lyrics 'We sing thy prai - ses faith - ful guide of youth;' are written below the staff.

Through all the a - ges af - firmed and strong in truth.
