

Student Health Services Examples of Fees

At our clinic, we're dedicated to supporting the full spectrum of health care needs for MTSU students. Whether you need treatment for an illness, access to necessary medications, or guidance on staying well, we're here to help. Our comprehensive approach focuses on the whole student — including general medical care, women's health, nutrition, wellness services, and more.

	Health concern	Clinic visit	Tests/Medication	Total Cost
