Evaluative Criteria – Administrative Positions with Search Committees Only

The Evaluative Criteria tab will be used as a tool to evaluate the candidates that you are considering to interview and is required only for Administrative positions with search committees. If you do not have a search committee or if the posting is classified, please continue to Guest User on page 6.

An automated message will be sent to the guest user informing them of their account. When finished adding the user email addresses, click **Update Guest User Recipient List** and then click **Next**.

The reference letter portion of the posting is used for both electronic and non-electronic references. The Last Day a Reference Provider Can Submit Reference box is used only for electronic references (see References & Online Applications on page 6).
