STUDENT UNION THEATER

Gender and sexuality are fluid. In 2016, transgender issues are altering the nature of day-to-day interactions. What do you do when your 7-year-old son announces that he wants to be a girl? Or your husband of 30 years announces that he wants to be a woman? How do college students at All Girl colleges react when "he" becomes a "she." Throughout Gender Revolution, newscasting legend Katie Couric takes us on a unique journey - from birth to death - to discover the dynamics of gender in 2016.
