

# DON'T JUST GUESS, TAKE THE TEST!

NOV. 28 | 9AM - 4PM | STU 2nd Floor  
Rooms 218, 220, 225 & 227

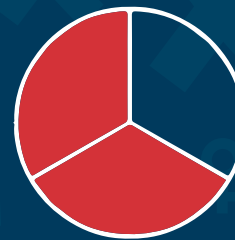

Come to the Student Union on Nov. 28 and take a free HIV test as part of World AIDs Day. Tests are absolutely painless, results are confidential, and you can get your results before you leave!

**1.1 million**  
people in the U.S. are living with HIV,  
and **1 in 7** of them don't know it.

In 2015, **80%**  
of youth living in the  
U.S. who were newly  
diagnosed with HIV  
occurred in persons  
between the age of  
**20 to 24.**

African American men are nearly **eight times more likely** to contract HIV than Caucasian men, and nearly **twice as likely** as Hispanic men.

Men who have sex with men  
account for more than  
**two-thirds** of all new  
HIV infections each year.

Around **1 in 5**  
Asians living with HIV in the  
United States do not know  
they have HIV.
