

LGBT+ HEALTH AWARENESS WEEK

MARCH 26-31

27 MARCH

TABLING: LGBT+ MENTAL HEALTH ISSUES

STU Lobby
10-2pm

LGBT+ Health Forum

A panel of medical and healthcare professionals will conduct an open forum centering on LGBT+ healthcare issues. Panelists will address issues such as what services are provided by MTSU Health Services for LGBT+ individuals such as PrEP and various healthcare screenings, what healthcare concerns should LGBT+ individuals be aware of, how does healthcare vary for transgender and gender nonconforming persons, and will answer open questions from the audience.

Hosted by: MTSU Lambda

Hosted by: Intercultural & Diversity Affairs & MTSU Health Services

28 MARCH

Tunnel of Oppression

Students will be guided through a tunnel maze as they encounter aspects of oppression as they relate to various marginalized groups. Themes of this year's tunnel will include experiencing homelessness, coming out as LGBT+, eating disorders, mental health, and a virtual reality headset station where students can experience oppression from a first person point of view.
