**LGBT+ and Communities of Color**

*Presented by My House*

Representatives from My House, a collaborative effort between Nashville CARES, Street Works, and Neighborhood Health that provides a one stop shop Health & Wellness Community Center for same gender loving men of color and gay/bisexual men, will join us in a panel discussion exploring various LGBT+ issues that many LGBT+ people of color face throughout their daily lives. Topics of discussion will include racism within the broader LGBT+ community, inequalities within the healthcare system, and economic inequality. A Q&A will follow.
