GET TO KNOW YOUR AREA COORDINATOR

I am the new Area Coordinator for Scarlett Commons, and I am so excited for the year because I know it is going to be an amazing one! I graduated with my Master's degree in Counseling and Personnel Services with an emphasis in Student affairs and a Bachelor's degree in Hospitality and Tourism Management from The University of Southern Mississippi in Hattiesburg Mississippi! It is very similar to MTSU, we were conference USA, used Aramark, RMS, and had a little over 3,000 students living on campus. While I was at USM, my sophomore year (2010) I became a Resident Assistant which I was for 2 years then I transitioned to being an Assistant Hall Director/ Desk Supervisor my senior year and during my master's program I was a Graduate Assistant/Resident Manager for Family and Graduate Housing at USM! Since Jan 2014 I have been a full time Residence Life Coordinator right up until the day I started at MTSU.

I was also Chapter Adviser of Phi Mu, which is the sorority I am an alumna of. Also, I have a strong passion for social justice – everything from marches, programs, to taking social justice related trips. I have been on the local news twice for two large scale programs that I was in charge of putting on at USM - Free Hugs and the Human Library! I can't wait to see what MTSU offers and how we as a team can be involved in amazing events like those!

In my free time I like to workout, do anything outdoors, and travel! I just got back from Europe June 26th ☺

I can't wait to meet all of the Scarlett residents and I look forward to an amazing year here at MTSU!!!
