

Welcome to Area 2 Community!

We have 5 buildings: Beasley, Gracy, Judd, Sims, and Smith. We are committed to creating an inclusive environment based on MTSU community standards. Residents receive support from Resident Assistants and Desk Assistants. We offer a variety of Living Learning Communities, including WISTEM, BioChem, FAES, CrimeBusters, and Pre-professional Health Sciences/Nursing. Area 2 is centrally located and offers a wonderful place to call home!
