About Us

Our insurance agency has been in business for 28 years and we have been awarded the #1 MetLife agency in the country in 2018 for sales and profitability. When employees walk through the doors of any of our workplaces, they are valued for all aspects of who they are as individuals. A key part of embedding a mindset of diversity and inclusion is to set the tone from the top, so it is important that our leaders have the skills to create an inclusive environment.

Career Opportunity – Personal Marketing Assistant

With success comes growth and our Smyrna office is looking for an outgoing individual to join our team. Prior insurance experience in Property & Casualty is helpful but not a requirement. You will learn all facets of the agency - quoting, servicing, retention, claims and more.

This is not necessarily a sales/agency ownership job, but it can become one if that is the path you would like to take. Hours can be flexible ranging from 20-30 hours per week starting with a competitive hourly wage and quarterly profit-sharing bonuses. This is NOT a telemarketing position, our office runs strictly on referrals, centers-of-influence, and our sizable book. The future could encompass starting your own agency or potentially inheriting ours.

Our Ideal Candidate will:

- Have a P&C Insurance license or be willing to get one.
- Be outgoing, dependable, have great phone skills and be success-driven.
- Enjoy being part of a dynamic growing business with long-term career opportunities
