About us:
In workers compensation, Responsiveness Matters. With an innovative approach to workers compensation, we create value through the relationships we develop, businesses we support and people we protect. We believe people should be safe at work, accidents are preventable, and people deserve exceptional care and compassion. When an accident does occur, responsiveness makes a difference as everything counts and everyone matters.

Career Opportunity:

Title: Underwriting Trainee

Reports To: Regional Underwriting Manager

POSITION PURPOSE:
The underwriting trainee works closely with the underwriting manager and team members to learn the Key Risk underwriting appetite and approach. The training program will include shadowing territory underwriting managers in performance of their tasks, visits with agents to observe their interactions and rotation assignments with various departments. The objective of the rotation is to learn the business and gain an understanding of how these departments work together to achieve the best level of service and outcomes for the client and Key Risk.

QUALIFICATIONS:
• Bachelor’s degree, preferably in Risk Management & Insurance, Finance, Economics, or Mathematics.
• Effective oral and written communication skills and strong negotiation skills
• Demonstrates curiosity, creativity and strong desire to learn.
• Demonstrates personal accountability for decisions and behavior.
• Committed to highest standards of ethical behavior, honesty and integrity.
**PRINCIPLE RESPONSIBILITIES:**
Responsibilities include the successful completion of training plan (9-12 months), embracing the Key Risk culture, and promoting the public image of Key Risk in all interactions. Other responsibilities include professional development (actively involved in development, including pursuit of professional designations), building effective relationships, and work effectively with external clients and internal associates demonstrating professionalism and respect at all times.

**Location:**
Greensboro or Charlotte, TN
