Charlie and Hazel Daniels Veteran and Military Families Center
Welcome to MTSU and the Charlie and Hazel Daniels Veterans and Military Family Center (Daniels Center). Thank you for your service to our country.

The Daniels Center's mission is to provide transition services for Veterans and their families as they return to civilian life after military service.

To accomplish this goal, we have developed the "E" Mission:
1. **Enroll** military-connected students
2. **Encourage** them while here
3. Help find **employment**
4. **Educate** the MTSU community
5. **Expand** the veteran-education knowledge base

"I have only been here at MTSU for two semesters now and these two semesters have been the first and second time in my academic career that I’ve ever been on the Dean’s list. I can say that, without question, that it wouldn’t have been possible without the help of the Daniel’s Center. They go above and beyond what I could have possibly thought was possible for ensuring the success of their veteran and military affiliated students."
