MTSU Winter Music Education Conference

Come join us for the 2020 MTSU Winter Music Education Conference on January 18, which will be held in the Wright Music Building on the campus of MTSU. The theme for the day is “Soulful Music Education.” Enjoy interacting with fellow music educators in a fun day of professional development. Robert Gibson will share his ideas for choral music education, and everyone at the conference will receive a free packet of choral music. My colleagues and I look forward to seeing you on January 18!

Kind Regards,

Jennifer Vannatta-Hall
