I. MISSION

The mission of Middle Tennessee State University School of Nursing is to provide excellence in nursing education by preparing individuals to meet the dynamic and complex healthcare needs of society. Through robust academic programs, the School of Nursing demonstrates its’ commitment to the art and science of nursing.

II. PHILOSOPHY

The Middle Tennessee State University School of Nursing has established an operational framework with five core competencies at the foundation. These are communication, critical thinking, personal and professional relationships, leadership and the nursing process. From this base, additional concepts emerge to provide interaction with persons, the environment, health, professional nursing and nursing education.

III. PROGRAM OUTCOMES

Graduates receive preparation designed to enable them to:

1. Demonstrate synthesis and application of knowledge from nursing and related disciplines as the basis for clinical judgement and nursing practice to improve care delivery and health outcomes across populations. (Essential I, NP Core [Scientific Foundations])

2. Apply knowledge of organizational and leadership theories within the systems of healthcare using ethical principles to improve outcomes, manage risks, and provide cost-effective care. (Essential II; Domain 7; NP Core [Leadership])
3. Engage in self-reflection that fosters personal well-being, commitment to lifelong learning, nursing expertise, and leadership. (Essential II; Domain 10; NP Core [Leadership; Independent Practice])

4. Utilize principles of safety science and quality to improve care delivery, and to create a culture of patient, provider, and workplace safety. (Essential III; Domain 5; NP Core [Quality])

5. Generate, synthesize, translate, apply, and disseminate knowledge to improve health outcomes, resolve practice problems, and transform health care. (Essential IV; Domain 4; NP Core [Practice Inquiry])

6. Use appropriate technologies to enhance health care services and improve health outcomes. (Essential V; Domain 8; NP Core [Technology and Information Literacy])

7. Develop and promote a professional identity that reflects nursing characteristics, norms, and values while adhering to ethical principles to carry out professional responsibilities. (Essential VI; Domain 9; NP Core [Policy and Ethics])

8. Collaborate effectively across professions, with patients and families, and within communities to enhance care, improve outcomes, and reduce costs. (Essential VII; Domain 6; NP Core [Leadership, Health Delivery Systems; Independent Practice])

9. Identify and engage partners at local, community, regional, and global levels to support and improve population health outcomes consistent with epidemiologic, genetic, and genomic data to design evidence-based approaches. (Essential VII; Domain 3; NP Core [Health Delivery Systems, Ethics, Leadership])

10. Provide person-centered evidence-based holistic care through continuous evaluation of interventions to improve care delivery and health care outcomes. (Essential IX; Domain 2; NP Core [Independent Practice])

IV. CERTIFICATION

The Family Nurse Practitioner (FNP) and Psychiatric Mental Health Nurse Practitioner (PMHNP) tracks provides ample clinical hours for certification. Graduates are eligible to take national certification exams at the time of degree completion.

V. NURSING STUDENT HONOR CODE

KNOWLEDGE, INTEGRITY, COMPASSION and SKILL

The School of Nursing (SON) at Middle Tennessee State University (MTSU) values a strong sense of integrity and ethics among students and faculty alike and strives to facilitate the development of such behaviors through the use of the Nursing Student Honor Code.
Students in the SON are held, not only to the standards outlined in the MTSU student handbook, but to the guidelines provided below.

**Statement of Nursing Student Honor Code**

Student conduct in the MTSU SON is expected to demonstrate ethical behaviors that reflect a strong sense of integrity in personal, academic, and professional conduct. The student is guided by the calves of truth, justice, and respect for human dignity, as well as professional standards, in the practice of ethical and safe behaviors toward self, fellow students, faculty, staff, and patients when operating in any student capacity on or off University property.

The MTSU SON administration and faculty support the development of behaviors demonstrating integrity and ethics in all student arenas. The Honor Code is explained upon admission to the SON. As students progress through the curriculum, it is the obligation of all students to adhere to the higher ethical, personal, academic, and professional behaviors as outlined in the Honor Code. Each student is required to abide by all components of the Honor Code, including consequences for any violations. All students are ethically responsible for reporting any known or suspected violation of this Honor Code.

**Nursing Student Honor Pledge**

As a student of the Middle Tennessee State University School of Nursing, I do hereby truthfully pledge not to engage in any acts of academic or professional misconduct during my nursing education. I have read and been given the opportunity to ask questions about the Nursing Student Honor Code System presented in the School of Nursing Student Handbook. I understand the content contained therein, including the disciplinary processes as referenced in the MTSU student Handbook, Resources and Rules. As an expectation of my admission to the progression through the nursing program, I will abide by the Nursing Student Honor Code at all times. I understand that any acts of academic or professional misconduct violate the honor code and may result in sanctions as severe as dismissal from the nursing program.

VI. **CODE OF CONDUCT**

**Academic and Professional Conduct**

Students enrolled in the nursing program at MTSU will be held accountable for the provisions as stated by the Student Code of Conduct. As with the Nursing Student Honor Code, the Student
Code of Conduct is based upon and demands the values of truth, integrity, and ethical behavior within academic and professional settings. Professional settings include those places in which a nursing student is functioning as a representative of the SON and MTSU, on or off campus. Failure to adhere to the provisions of academic and professional conduct of the Student Code of Conduct shall be deemed as misconduct, resulting in academic and/or disciplinary consequences up to and including dismissal from the nursing program. Academic and professional misconduct would include, but is not limited to, the following:

1. **Plagiarism.** The adoption or reproduction of ideas, words, statements, images, or works of another person as one’s own without proper acknowledgment.

2. **Self-Plagiarism.** The US Department of Health and Human Service Office of Research Integrity defines Self-Plagiarism as follows: "Redundant publication has a direct counterpart in the area of academic dishonesty—it is referred to as 'double' dipping'. It occurs when a student submits a whole paper or a substantial portion of paper to fulfill a course requirement, even though that paper had earlier been submitted to satisfy the requirements for another course taught by a different professor. Many college undergraduates and even some graduate students are not aware that this type of practice is a serious offense and constitutes plagiarism".

3. **Cheating.** Using or attempting to use unauthorized materials, information, or study aids in any academic exercise inclusive of online work. The term academic exercise includes all forms of work submitted for credit or hours. Cheating includes but is not limited to receiving or providing answers on a written exam, storing any data within a calculator prior to or during an exam for use in providing responses to an exam, giving signals of any kind during an exam, sending and/or receiving text messages via cell phone with regard to answers to an exam, the procurement and/or distribution of an exam before or after it is given, including the use of cell phone camera options or copying computer generated assessments in order to reproduce an exam, and group collaboration on any independent assignment. Posting of forms, written papers, and exams to any free or paid-access social networking website(s) is strictly prohibited.

4. **Fabrication.** Fabrication or invention, either verbal or written, of written, of any information or citation in an academic exercise. This includes, but is not limited to, falsification of any information provided to a faculty or staff member, clinical site staff and preceptors (class-related or clinical); for example, number of clinical hours or number of patient encounters.

5. The use or distribution of publisher test banks.

6. **Facilitation.** Helping or attempting to help another to violate a provision of the Code of Conduct.
7. Posting of confidential client or facility information from clinical assignments or experiences to any online forum or webpage is strictly prohibited, as well as a breach of the federal HIPAA regulations.

8. Any behavior that threatens the safety of self, fellow students, faculty, staff, or patients when operating in a student capacity, representing the MTSU SON.

9. Other forms of unprofessional behavior or conduct includes but is not limited to:
   a. Tobacco use (smoking, E-cigarettes or smokeless tobacco) at clinical sites and/or in nursing student uniform
   b. Purchasing of alcohol or cigarettes in a nursing student uniform
   c. Tardiness (clinical, classroom, lab, or simulation experiences)
   d. Interruptions or inappropriate talking during class
   e. Intimidation of students and/or faculty or staff (angry, hostile, or violent behavior)
   f. Use of cellphones or other electronic devices not approved by faculty in class or during online activities, quizzes or tests
   g. Academic misconduct
   h. Fabrication of data in class, clinical, Medatrax or other written assignments
   i. Sleeping in class or clinical
   j. Sexual harassment or inappropriate sexual comments
   k. Use of vulgar, obscene, or disrespectful language towards patients, other students, faculty, or staff (social media sites, on campus or at clinical sites)
   l. Any other behavior deemed by faculty as unacceptable

Any and all infractions of the Student Code of Conduct will be handled according to University policy as stated in the University Student Handbook of Resources and Rules. A copy of the University Student Handbook is available online via the official MTSU website.

**Grievance Policy Statement**

Any student being disciplined for academic misconduct may refer to the MTSU Student Handbook, Resources and Rules, for the grievance policy and procedures.

Graduate nursing students are subject to all of the academic policies set forth by the following:

**MTSU Graduate Catalog**

Communication Avenues

The SON faculty and the administrative team are available to students through many methods. All students will have a faculty advisor assigned to them who is available for career/professional advice. Faculty are often available by appointment. Please email individual faculty to set up an appointment.

The chain of communication for the MSN program leadership include:

**VIII. Advising Guidelines.**

a. Students should look on their Pipeline account under Assigned Advisor to ascertain the name and contact information (phone# and/or email address) for the student’s assigned nursing academic advisor and faculty advisor.
b. In order to meet with a faculty advisor, please send an email to the faculty for an appointment time. This appointment can be via phone, in-person or web-based.

c. Students should allow 3-5 working days for the faculty to respond as some faculty are frequently off campus supervising undergraduate students in clinical settings.

d. Make contact early in the semester with your academic advisor- do not wait until the last minute (priority registration time) to communicate with your advisor as response time may be extended. Email msnadvisor@mtsu.edu to schedule an appointment with your academic advisor.

e. The academic advisor’s office is located in Room 250 of the Cason-Kennedy Nursing Building should you wish to visit in person.

f. Students should communicate with their academic advisor by phone, email or in person each semester to review their progress.

g. The degree plan outlines courses required for graduation. This plan is completed in DegreeWorks via your MTSU login and password. The academic advisor must approve any changes to the degree plan.

IX. Transfer Credit

The graduate program accepts a maximum of twelve (12) credit hours of coursework from an accredited university. Graduate coursework accepted must represent relevant coursework related to the degree.

http://catalog.mtsu.edu/content.php?catoid=22&navoid=3794

X. Registration

Class registration should occur at least 4 weeks prior to the start of each semester. Students not registered for classes during this time are not guaranteed a seat in any class.

XI. Program Readmission

It is expected students attend classes each semester (Fall, Spring, Summer). If a student must interrupt his/her program of study or exit the program, an Opt Out Form must be submitted to the MSN academic advisor during the semester the request is made.

Students will be readmitted on a space available basis. Students readmitted may be required to repeat courses in order to satisfy academic requirements of the degree. The Opt Out Form is located on the School of Nursing website.

Students who are readmitted will follow the most recent academic policies in the School of Nursing. http://mtsu.edu/nursing/forms.php
XII. Grading Scale.

The School of Nursing graduate program uses a common grading scale as follows:

- A=93-100
- B=85-92
- C=77-84
- D=70-76
- F=Below 70

No extra credit will be awarded within any nursing course. Final grades will be rounded according to conventional mathematical rules. Students must attain a minimum grade of “B” (3.00) in all graduate nursing courses.

XIII. Repeating a Course (2-C Policy)

If a student does not successfully complete a nursing course with a “B” (3.00) or better, the student must repeat the course. The failure is documented as part of the 2-C policy.

If a student is unsuccessful in obtaining a ‘B’ (3.00) or better in a second course or on the second attempt at the same course, the student will be dismissed from the program according to the 2-C policy.

A student who is unsuccessful in obtaining a ‘B’ (3.00) or better in two (2) or more courses in the same semester will be dismissed from the program.

XIV. Financial Need/Scholarships

Limited financial aid is available for graduate students. Students with incomes falling below poverty level may be eligible for grant money as available. Only students who have registered financial status and needs with the MTSU Financial Aid Office will be considered.

There are a few scholarships available to graduate nursing students. Information about the criteria for these awards and application form are found on the SON website. [http://www.mtsu.edu/nursing/scholarships.php](http://www.mtsu.edu/nursing/scholarships.php)

Students must have a current Free Application Federal Student Aid (FAFSA) file (updated every January) for the Student Success Committee to make scholarship decisions and allocate funds. Students must be registered for courses prior to obtaining scholarships.
Students can apply for foundation scholarships between February 1 and April 1. These applications must be received by the School of Nursing by April 1 in order for the student to be considered for a scholarship. The Committee will meet and review all submitted applications for foundation scholarships; money is awarded at the beginning of fall semester. Incomplete scholarship packets will not be considered.

**Americans with Disabilities Act.**

ADA Compliance at MTSU
Reasonable Accommodations for Students with Disabilities:
Middle Tennessee State University is committed to campus access in accordance with Title II of the Americans with Disabilities Act and Section 504 of the Vocational Rehabilitation Act of 1937. Any student interested in reasonable accommodations can consult the Disability & Access Center (DAC) website on the MTSU website and/or contact the DAC for assistance at 615-898/2783 or dacemail@mtsu.edu.

**XV. Student Representation**

Graduate students attend courses in an online format. Students in these programs are encouraged to participate on committees. If they desire to work on any specific committee they may solicit this through personal contact with the Director, the online advisor or any graduate faculty member. This must be done no later than the second week of the fall or spring semesters.

**XVI. Program Completion**

**Graduation Policy**
In order to graduate from MTSU with a Master of Science in Nursing, the following criteria must be met:
1. Completion of 47 semester hours of graduate nursing courses with a ‘B’ (3.00) or better in all courses
2. Maintain current documentation within the School of Nursing document storage account
3. Complete a practicum in accordance with concentration requirements
4. Submit the required paperwork to College of Graduate Studies prior to graduation
XVII. Other Resources

**University Writing Center**

The University Writing Center (see them at the MTSU website-Writing Center page) offers free writing assistance for any writing assignment in any class. Please request someone with APA experience. The staff of English graduate assistants will help students to develop the skills needed to become a confident, competent writer by providing students with one-to-one consultations and helpful handouts.

The center offers many online services including a grammar hotline for quick questions; and email drop box, as well as a chat room for writing assistance; and a website filled with helpful handouts, exercises, and resource links for individual work.

[http://www.mtsu.edu/writing-center/](http://www.mtsu.edu/writing-center/)

**Professional Writing Format**

The School of Nursing utilizes a writing format adopted from the American Psychological Association (APA). This style format is utilized in all courses.

[http://www.mtsu.edu/writing-center/handouts/APA_Citation_Style.php](http://www.mtsu.edu/writing-center/handouts/APA_Citation_Style.php)

XVIII. Handbook Protocol

All graduate students function under the current SON Student Handbook. The handbook is reviewed annually by the Student Success Committee and updated as required. Students are responsible for reading, understanding, and complying with the material in the SON handbook. Clarification or questions should be raised at the time the handbook is received. Additional School of Nursing guidance polices are found at the official nursing website [www.mtsu.edu/nursing](http://www.mtsu.edu/nursing). Individual faculty members will answer other questions as they arise.
This Handbook presents the terms of enrollment in the SON in effect at the time of publication, but there is no guarantee that provisions will not be changed or revoked. The Handbook is not intended to state contractual terms and does not constitute a contract between the student and the institution or the SON. The SON reserves the right to make changes as required to become effective whenever determined by the institution or the SON. These changes will govern current and formerly enrolled students. Enrollment of all students is subject to these conditions.
