**If you do not have source documentation of academic engagement to determine the LDA, then use the Mid-Point 50% LDA.

***LDA Cutoff dates are internal only and should not be listed on syllabus or other information.

***Last Date of Attendance/Activity (LDA) cutoff date--any date prior will be considered stopped attendance, adjustments made, and F converted to FA. Any date on or after will be considered earned F's.

***Faculty may use attendance records, academic related activity/assignments, etc., to determine LDA and may wish to incorporate the timing of assignments to assist with determining LDA.
