Approved by Board of Trustees
Effective Date: ___________________, 2019
Responsible Division: Business and Finance
Responsible Office: Administration
Responsible Officer: Assistant Vice President, Administration

I. Purpose

This policy will define Middle Tennessee State University (MTSU or University) traffic, parking, and safety enforcement. It will facilitate the orderly and efficient flow of traffic on the MTSU campus and property owned by MTSU, endeavor to provide a safe atmosphere for both pedestrians and vehicle operators, and provide order with regard to parking within limited space.

II. Scope

MTSU reserves the right to regulate the use and/or parking of all vehicles on its campus or on property owned by MTSU in accordance with this policy and to forbid the use of a vehicle by any person whose operation of the vehicle fails to comply with University policies, City of Murfreesboro ordinances, and/or Tennessee state laws pertaining to vehicles.

III. Definitions

A. Campus. The main MTSU campus and any additional property owned by the University.

B. Vehicle. Any self-propelled vehicle, including, but not limited to, automobiles, motorcycles, scooters, mopeds, and golf carts capable of exceeding twenty-five (25) miles per hour over level, paved surfaces.

C. Visitor. Any person on the campus who is not a current student, member of the faculty, staff, or administration.

IV. Registration of Vehicles and Parking Permits

A. All students and employees must register vehicles they park on campus with the MTSU Parking and Transportation Services Office by purchasing a parking permit. Any vehicle
parked on campus must display a current and valid parking permit. Failure to do so may result in the issuance of a parking citation.

B. The acceptance by any person of a parking permit, whether temporary or permanent, shall constitute the acceptance of the rules, policies, ordinances, and/or laws governing the safe and responsible operation and parking of a vehicle on campus.

C. The cost of parking permits, together with appropriate information sufficient to justify the amount, shall be submitted for review and approval to the MTSU Board of Trustees (Board). Once adopted or amended, parking permit costs, along with requirements, limitations and procedures for securing parking permits, shall be affirmatively communicated to the MTSU faculty, staff, and students through the Parking Services website, and the Traffic and Parking Regulations handbook.

D. Parking permits may be denied for any student or employee who has outstanding fines from prior semester(s) until they are paid in full. The first citation issued to an employee for an expired parking permit may result in towing of the vehicle.

E. Parking permits are issued to students only after all registration fees are paid.

F. The MTSU parking permit must be properly attached to the front windshield in the extreme lower corner on the driver’s side or hung from the rearview mirror of the vehicle with the decal number facing the outside of the vehicle and clearly readable. In those cases where compliance with the above is not feasible, the parking permit must be clearly visible when viewing the vehicle or the parking permit holder must consult with Parking and Transportation Services for proper placement of the parking permit.

G. The parking permit holder will be responsible for parking violations received by any vehicle bearing his/her parking permit.

H. It is considered fraudulent for a registered parking permit holder to give his/her parking permit to another person. Parking permits are transferable from vehicle to vehicle provided that the vehicles are registered under the same account. Parking permits are not transferable from person to person. When a parking permit is reported as lost or stolen, but is found in another vehicle on campus, an inquiry will be made into the parking permit. If it is found that an individual reported a parking permit lost or stolen, but in fact gave the parking permit to another individual for use, both parties may be cited with a fine for their actions.

I. Temporary Parking Permits may be issued to employees, students, and visitors as identified on the Parking Services website.

J. Visitors, including family members of employees or students, must park at meters or register their vehicles with Parking and Transportation Services by obtaining a
temporary parking permit. Failure to comply may result in the vehicle being issued a "No
Campus Permit" citation, and the fine may not be waived.

K. Disabled Parking Permits. Any person, whether student or employee, may apply for
disabled parking privileges.

1. To obtain an MTSU Disabled Parking Permit, persons must have a state-issued

to exceed one (1) semester or four (4) consecutive months (whichever is of the
greatest benefit to the individual requesting the permit), provided that the request
is accompanied by a physician’s statement certifying the impairment.

   a. Those with MTSU-issued temporary parking permits must park in white or green
      spaces only. The blue disabled parking spaces are reserved for those holding
      permanent disabled parking permits.

   b. Those holding temporary state-issued disabled placards may also park in the
      blue disabled parking spaces.

3. The individual to whom the disabled license plate or placard has been issued must
be using the vehicle in order for the vehicle to be parked in the disabled space. The
owner of the parking permit or owner of the vehicle may be charged the maximum
fine allowed by law for improper use of a disabled placard or license plate.
