

**BRONZEMEN QUARTET  
RADIO TRANSCRIPTION DISCS (copy)**

**92-048**

**Physical description:**

2 reel to reel audio tapes (TTA-0169A/B)

**Dates:**

Undated.

**Provenance:**

These discs were lent for copying by Doug Seroff, Greenbrier Tennessee. Audio tapes were made by Center audio specialist Bruce Nemerov.

**Agency history/biographical sketch:**

No information on the Bronzemen Quartet has been located nor is information available on the Standard Program Library whose logo appears on the discs.

**Scope and content:**

These undated transcription discs were made by Standard Radio Hollywood CA for distribution to radio stations. The audio log and copies of disc labels which follow provide a list of the songs which were recorded by the Quartet on these discs.

**Location:**

These audio tapes are filed first by format, then by tape number, in the audio visual archives.
