

**CIVIL WAR
SOUND RECORDINGS**

Physical description:

8 33 rpm sound recordings

Dates:

[1861-1865]

Scope and content:

The commercial sound recordings listed below were used by special projects coordinator Bruce Nemerov while working on a Center project to assist Time-Life Records in preparing a compact disc recording of Civil War Music in the spring of 1991. This list is believed to include all of the sound recordings of Civil War era music held by the Center at that time.
