## DID YOU KNOW YOUR FINANCIAL AID MAY BE ADJUSTED OR CANCELED IF YOU DON'T ATTEND CLASS?

Financial aid is initially based on your enrollment status. Once the semester begins, faculty report students who never attended by the census date. At that point, your financial aid may be adjusted/canceled, and you may be required to repay financial aid (including loans) to MTSU. If this occurs, you will be unable to view your grades, register for a future semester, or obtain an academic transcript until the balance owed is paid in full. To ensure progression toward your degree and maintain eligibility for financial aid, you should attend all of your classes and make every effort to be academically successful.

### **Lack of attendance can cause you to owe back financial aid!**

Did you know there is a difference between receiving a grade of F for failing a class versus receiving a grade of FA for failing a class with an attendance issue? To be in compliance with federal regulations, MTSU uses a failing grade of FA to identify students who failed a class and also stopped attending the class. If you fail class(es) and also stop attending class(es), you may be required to pay back financial aid and/or lose future eligibility for financial aid (including Lottery Scholarships and federal student loans).

## WHAT IS COURSE PROGRAM OF STUDY (CPOS) AND WHY IS IT IMPORTANT?

Students may only receive federal financial aid for coursework that counts toward unmet requirements in their officially declared program of study. Dropping or not attending can affect your eligibility for current and/or future aid. For more information, visit our FAQ website at [mtsu.edu/cpos](https://mtsu.edu/cpos). To view which of your registered courses are eligible degree requirements for federal aid, go to PipelineMT, the **Registration & Student Records** menu, and the **Coursework Toward Program of Study** link.

## 2020–2021 FAFSA AVAILABLE SINCE OCTOBER 1, 2019

The 2020–21 FAFSA can be completed online at [fafsa.gov](https://fafsa.gov). It will be used to determine financial aid eligibility for Fall 2020 through Summer 2021 for various federal, state, and institutional programs. The 2020–21 FAFSA income information is based on prior-prior year (2018) rather than prior year (2019), which eliminates the need to estimate tax information. The 2020–21 MTSU FAFSA filing priority date was Feb. 1, 2020, to be considered for maximum financial aid assistance.

## NEW SUMMER SCHEDULE AND PARTS OF TERM

Beginning summer 2020 there is a new format for summer courses and the parts of term in which classes are held. The summer term is now a 12-week semester with several options for 3-week, 5-week, 6-week, and full-term courses. For many years a 3-week “Maymester” has been held prior to the rest of the summer terms, but now we have multiple 3-week term options that overlap with other summer term options. For more information about these summer parts of term, registration, and financial aid, visit [mtsu.edu/registration/summer.php](https://mtsu.edu/registration/summer.php).

## ACADEMIC APPEALS

Undergraduate students on academic suspension who wish to return to MTSU in Summer 2020 must complete the Academic Appeal packet and return it to MT One Stop no later than 4:00 p.m. on Monday, May 18, 2020. The Academic Appeals Committee meets on Wednesday, May 20, 2020. At the May 2020 Academic Appeals committee meeting, students may appeal to return for the Summer or Fall 2020 term. Students waiting to appeal in August 2020 to return in Fall 2020 must submit the packet by 4:00 p.m. on Monday, August 17, 2020. The Academic Appeals Committee will meet on Wednesday, August 19, 2020. For additional information, including the Academic Appeal form, visit [mtsu.edu/academicstanding](https://mtsu.edu/academicstanding). Graduate students on academic suspension will be sent an email from the College of Graduate Studies via their MTMail account with instructions on how to appeal their suspensions.

Depending on aid received, a withdrawal at any point in the semester could mean a balance will be owed. Receiving a “fee adjustment” does not necessarily mean you will receive a refund.

TN eCampus courses are charged at a different per-hour rate and are charged separately from MTSU courses. TN eCampus courses will not be evenly exchanged with MTSU courses when dropping and adding on the same day.

Short courses are courses not meeting for the entire part-of-term and have prorated deadline dates. Students must check in PipelineMT for the memo note regarding prorated drop dates for all short courses. PipelineMT controls drops/fee adjustments based on the dates of the parts of term only.

## Financial Aid Adjustment Deadlines

**July 9** Financial aid may be adjusted due to adding or dropping classes as of July 9, 2020 (includes all parts of term for the summer)

- If you drop a class before or on July 9, you may owe a balance to MTSU.
- Adding summer courses after July 9 WILL NOT increase financial aid eligibility.

Financial Aid will be adjusted based on attendance as reported by the instructor. Official last date of attendance (for students who have not officially withdrawn) will be determined by the instructor based on an academically related activity or the midpoint of the term if unknown.

Note: If you drop a class before the Part of Term start date and/or your instructor reports that you never attended or stopped attending your class(es), your financial aid may be reduced or canceled. This may result in you owing a balance to MTSU for Summer 2020. If aid is canceled or reduced, Fall 2020 aid may be used to repay up to \$200 of this amount.

# ADVISING AT MTSU

Academic advising is recommended each semester to ensure that you stay on track for graduation and you are registering for courses that apply to your program of study (CPoS). Please contact your academic advisor to review your progress, work out a schedule of classes, obtain program updates/changes, and seek help in making academic decisions. Getting advised early will allow you to register for classes on time during priority registration.

## Required Advising for Undergraduate Students

Advising is required for new freshmen and new transfer students before registration.

Advising for currently enrolled undergraduate students may be required. Advisors will send an email to your MTMail if you are required to be advised prior to priority registration.

**A hold will appear on your account preventing priority registration if advising is required.**

## PIPELINEMT INSTRUCTIONS

### How to Find Your Advisor

1. Log in to **PipelineMT**, click on **Registration & Student Records** in the left menu.
2. Click on **Assigned Advisor(s)**.
3. Select a term and **Submit**. (Make sure you select the correct term.)
4. See all assigned advisor(s), including office locations, emails, and phone numbers.
5. If no assigned advisor, contact department of your major.

### How to View Holds

1. Log in to **PipelineMT**, click on **Registration & Student Records** in the left menu.
2. Click on **Holds**.
3. Some holds prevent your registration, while others only impact seeing your grades and transcript. You can see what type of hold you have, if any, on this screen.
4. To inquire about a hold, click the link on the screen to view hold contact information.

### How to Find Your Assigned Registration Time

1. Log in to **PipelineMT**, click on **Registration & Student Records** in the left menu.
2. Select **Assigned Registration Time**.

3. Select a term and **Submit** to view the day and time you can start to register for the next term.

**NOTE:** Registration date/time assignments are determined by the number of earned credit hours. Currently enrolled hours are not included.

### How to Search for Classes

1. Log in to **PipelineMT**, click on **Registration & Student Records** in the left menu.
2. Click on **Look Up Classes** and select desired term.
3. **Course Search:** If you know the course number, choose a subject in the "Subject" field (e.g. ENGL for English) and select Course Search, then select View Sections.

**Advanced Search:** To select all subjects, select the first subject, hold down the shift key, and select the last subject. All subjects will be selected. You could then select an attribute to search for a specific area such as General Education across all subject areas.

4. For best results using the Advanced Search option, leave remaining fields at their default settings and click **Section Search**.
5. If the class requires a corequisite, click on the **Display Corequisites** link at the bottom of the page. Once selected, search options are available to narrow results, if desired. The courses are listed in alphabetical order by subject, and labs or other corequisites are listed below the lecture/class to which they correspond.

### How to Register (Add or Drop Classes)

1. Log in to **PipelineMT**, click on **Registration & Student Records** in the left menu.
2. Click on **Add or Drop Classes** and select desired term.
3. If it is not your assigned registration time or you have a hold, you will not be able to access this screen.
4. On the **Add or Drop Classes** page, scroll down and enter your course reference numbers (CRNs) in the boxes, starting from the left. You can enter one CRN at a time or multiple. If a course requires a corequisite, both CRNs must be entered before clicking **Submit Changes**.
5. Errors in your schedule will appear immediately. If needed, find an alternate section of a class to take and enter that CRN instead. Contact your advisor if you're having trouble getting into a class you discussed taking for that semester.
6. Read how to resolve specific registration error messages by clicking on **Registration Errors—Click here for assistance**. Contact the department offering the course for any needed overrides.

7. To drop a course, scroll down to current schedule and click on the drop-down arrow and choose the available drop option. Then click on **Submit Changes**.

## Course Prerequisites, Restrictions, and Corequisites

Some course sections require prerequisites or departmental permission before registration. If prerequisite exception is being requested or departmental permission is needed, contact the academic department for permission/permit; if a permit is issued by the department then the student must access **PipelineMT** to register.

If a class requires a corequisite (e.g., BIOL 1030 and 1031), click on the **Display Corequisites** link at the bottom of the **Look Up Classes** or **Add or Drop** page. You may also access **Display Corequisites** from the **Registration** box.

# GENERAL INFORMATION

## Academic Appeals

Undergraduate students on academic suspension who wish to return to MTSU in Summer 2020 must complete the Academic Appeal packet and return it to MT One Stop no later than 4:00 p.m. on Monday, May 18, 2020. The Academic Appeals Committee meets on Wednesday, May 20, 2020. At the May 2020 Academic Appeals committee meeting, students may appeal to return for the Summer or Fall 2020 term. Students waiting to appeal in August 2020 to return in Fall 2020 must submit the packet by 4:00 p.m. on Monday, August 17, 2020. The Academic Appeals Committee will meet on Wednesday, August 19, 2020. For additional information, including the Academic Appeal form, visit [mtsu.edu/academicstanding](https://mtsu.edu/academicstanding). Graduate students on academic suspension will be sent an email from the College of Graduate Studies via their MTMail account with instructions on how to appeal their suspensions.

## Academic Progress Report

Academic Progress Report is a system used by faculty to report academic progress and midterm grades. The Academic Progress Report will reflect feedback from your professor that could include an in-progress grade at the time of the report or other comments. An email notification is sent to the student when an Academic Progress Report is posted. Details related to the report can be accessed in **PipelineMT** by selecting the **Registration & Student Records** link in the left menu, then the **Academic Progress Report** link or by using the MTSU Mobile app. Please note that reports may contain concerns or simply a summary of progress to date, which could be satisfactory or unsatisfactory.

## Academic Standing and Grades

It is the student's responsibility to be aware of grades and academic standing. For details, see [catalog.mtsu.edu](https://catalog.mtsu.edu), Academic Policies and Procedures, Academic Standing (Retention Standards and Grades).

**Undergraduate Students.** If a student is placed on probation, the student must attain a 2.00 GPA in the next term enrolled (Fall, Spring, or Summer) or increase the overall combined GPA to one of the following retention standards:

00–29.99 GPA hours	1.50 overall combined GPA
30–49.99 GPA hours	1.80 overall combined GPA
50 or more GPA hours	2.00 overall combined GPA

A student on academic probation who does not meet either the current term GPA or overall combined GPA during the next term enrolled will be suspended. **Students previously suspended are not eligible for probationary status.**

If a transfer or reenrolling student is admitted on probation or has been previously suspended from any school, the retention standards must be met each semester or suspension will occur. Be aware that new transfer credit posted summer 2015 or after will no longer be calculated in the overall combined GPA or GPA hours.

Graduate-level academic standing is based on cumulative GPA. Academic standards for graduate students may be viewed at [mtsu.edu/graduate/student/suspension.php](https://mtsu.edu/graduate/student/suspension.php).

## Auditing

Any request to change from credit to audit or from audit to credit must be processed by the last day to add a class; after that time, instructor and chair permission is required.

Students who wish to audit a course must visit MT One Stop (SSAC) or contact them at [register@mtsu.edu](mailto:register@mtsu.edu).

## Catalogs (Online)

MTSU's undergraduate and graduate catalogs are online and searchable at [catalog.mtsu.edu](https://catalog.mtsu.edu). Prospective or currently enrolled students can view offerings by using the search-by-keyword feature at the top left of the screen or by clicking on links on the left side of the screen. The **Majors A–Z** and **Minors and Certificate A–Z** links provide complete major and minor listings, and academic maps (four-year plans of study) are available at the **Academic Maps** link. Information about general education, admissions, expenses/tuition and financial aid, degree requirements, policies and procedures, and graduation can be easily located.

Students can save their own catalogs under **My Portfolio** by creating a login and saving any section of the catalog such as courses, program information, or policies and procedures. Courses and programs can be added or deleted then saved for easy access.

## Change of Address or Name

Students should immediately update addresses, names, or other information that has changed. Access **PipelineMT** and click the appropriate links under the **Personal Information** box to review and correct addresses, phone numbers, email addresses, and emergency contacts. A forwarding address should be left with the U.S. Post Office in addition to a change of address with the University.

**Students cannot update names on PipelineMT** because documentation will be needed. It is the student's responsibility to inform instructors of name changes that occur during the semester. Submit a Name Change Request form with required documentation to [records@mtsu.edu](mailto:records@mtsu.edu) or fax to (615) 898-5538.

**Students cannot update permanent addresses on PipelineMT** because the permanent address serves several purposes and must be monitored. Use the online change of address form or go to MT One Stop. A permanent address change request that conflicts with residency might require documentation.

For additional information: [mtsu.edu/mtosforms](https://mtsu.edu/mtosforms).

## Change of Major/Program, Undergraduate

Choosing the right major and minor can be challenging and many students make the decision to change their majors and/or minors sometime during their undergraduate careers. Students who wish to make a change to their current curriculum must meet with their current college advisor or the college advisor of the proposed new major/minor. To view current major/program in PipelineMT, select **Registration & Student Records** in the left menu, then click on the **Transcript** icon.

Only college and faculty advisors can submit a program/major/concentration/minor change for processing on behalf of the student. Submitted changes will be processed for the current term. Once the change is made, updated degree requirements will be viewable in DegreeWorks and an audit run to determine federal aid eligible for Course Program of Study (CPoS). Changes and their timing should be considered very carefully related to CPoS.

## Change of Program, Graduate

Effective the first day of class each semester, graduate-level students who elect to change their academic programs will be processed for the following semester. These students **MUST** be fully admitted into the new program before registration for the upcoming term. This process ensures that students' registration and financial aid are not adversely affected.

## Class Attendance

A student is expected to attend each class for which he/she is registered. Students should not attend classes for which they are not officially registered. MTSU does not require faculty to take attendance at each class period, even though some faculty may choose to do so. Therefore, participation may be confirmed by the use of an academically related activity.

**Faculty are required to confirm attendance by the census date. If a grade of F is reported at the end of the semester, faculty are required to report the date of the last academically-related activity or the mid-point semester date if unknown. Non-participation can have an adverse effect on receipt of various financial aid and scholarships and may result in repayment being required. Students who stop attending but do not officially withdraw may receive a grade of FA, which may negatively impact financial aid and scholarships, including lottery and loans.**

## Class Cancellations and Changes

The University reserves the right to cancel any class when the number of students enrolled is deemed insufficient and the academic departments will notify students, via **MTMail**. See [catalog.mtsu.edu](http://catalog.mtsu.edu), Academic Policies and Procedures, Cancellation of Scheduled Classes. It may be necessary for modifications to be made in locations and teachers listed for

courses. The most up-to-date information may be found on PipelineMT.

**NOTE:** Students receiving financial aid or veterans benefits are encouraged to contact the appropriate office to determine if their aid will be affected.

## Class Cancellations Due to Weather

Check the University home page at [mtsu.edu](http://mtsu.edu), call the news line at 615-904-8215, or check your campus email. The MTSU Critical Notification System sends emails and can also deliver text messages about weather closures. To add a mobile number or manage your account, go to [mtsu.edu/alert4u](http://mtsu.edu/alert4u), and click on Manage under the RAVE Alert Account left navigation link ([getrave.com/login/mtsu](http://getrave.com/login/mtsu)). If MTSU classes are canceled, the announcement will apply to all classes, credit and noncredit.

## Confidentiality of Student Records

MTSU regards a student's academic record as confidential. The release of information contained in the record is governed by a federal law known as the Family Educational Rights and Privacy Act (FERPA).

If you have questions concerning the provisions of this act, please feel free to contact the Registrar's Office at [records@mtsu.edu](mailto:records@mtsu.edu) or 615-898-5814.

Additional information: [mtsu.edu/one-stop/privacy.php](http://mtsu.edu/one-stop/privacy.php).

## Course Load and Enrollment Status

A student's enrollment status is determined by the number of credit hours taken per term. For details on undergraduate, see [catalog.mtsu.edu](http://catalog.mtsu.edu), Academic Policies and Procedures, Semester Hour Load of Student. For details on graduate, see [catalog.mtsu.edu/index.php?catoid=29](http://catalog.mtsu.edu/index.php?catoid=29), Academic Regulations, Semester Hour Load of Student.

## Course Program of Study (CPoS)

Students may only receive federal financial aid for coursework that counts toward unmet requirements in their officially declared program of study. Dropping or not attending can affect your eligibility for current and/or future aid. For more information, visit our FAQ website at [mtsu.edu/cpos](http://mtsu.edu/cpos). To view which of your registered courses are eligible degree requirements for federal aid, go to **PipelineMT**, the **Registration & Student Records** menu, and the **Coursework Toward Program of Study** link.

## Critical Notification

The critical notification system is used to send text, email, and/or voice alerts to those in the system. The system will be used only when circumstances pose a threat of imminent danger and/or when it is critical to contact students as quickly as possible to take some kind of action, such as completing registration/fee payment/confirmation before the deadline.

## DegreeWorks

DegreeWorks is available on **PipelineMT**. Select the **Registration & Student Records** link in the left menu and click on the **DegreeWorks** icon. Your degree evaluation will display based on your current degree program. The **Look Ahead** option allows you to enter courses you are planning to take to see how they will apply toward your degree. This feature can be helpful to ensure your course is Course Program of Study (CPoS) eligible. The **What If** option allows you to see how your courses will apply if you change your catalog or program/major/concentration/minor or are thinking about adding another major/concentration/minor. You can also see any approved exceptions/substitutions/changes.

## Distance Education Courses

For assistance, please call 615-898-5611 or visit [mtsu.edu/uc](https://mtsu.edu/uc). Some MTSU online courses require an override (department permission) to register. Request a permit at [mtsu.edu/uc/distance/permission-of-department-form.php](https://mtsu.edu/uc/distance/permission-of-department-form.php).

## Drop/Add/Late Registration Policy

Refer to page 4 or 9 for adding, dropping, late registration, and withdrawal deadlines. Students who wish to add a class after the deadline to add should refer to [mtsu.edu/mtosforms](https://mtsu.edu/mtosforms) to access the Drop/Add/Late Registration form. Students will be allowed to drop or add courses provided they do so within the course drop/add period.

Students who stop attending but do not officially drop or withdraw may receive a grade of FA, which may impact financial aid and scholarships, including lottery and loans.

**NOTE:** The drop dates for courses that meet for a shorter period than the part of term beginning and ending dates will be prorated based upon the course drop dates for the part of term.

**Student-athletes** must obtain permission from the Student-Athlete Enhancement Center before adjusting their class schedules.

**International undergraduate and graduate students** must remain full-time and should obtain permission from the International Affairs Office.

**Veterans** should consult with the Charlie and Hazel Daniels Veterans and Military Family Center before dropping and adding to find out how it will impact their benefits.

## Eligibility Verification for Entitlement Act (EVEA)

The Tennessee Eligibility Verification for Entitlements Act (EVEA) requires proof of U.S. citizenship or lawful presence to receive state benefits for all new or reenrolling students.

The term “state benefits” includes in-state tuition, lottery scholarships, academic scholarships, Academic Common Market, or any other form of tuition assistance or waivers funded with state-appropriated dollars. State benefits do not include tuition assistance funded privately or privately-endowed scholarships.

For a complete list of documents and more details about the Eligibility Verification for Entitlements Act, please visit [mtsu.edu/evea](https://mtsu.edu/evea).

**If you are eligible and wish to receive state benefits and are not planning to complete a FAFSA, documentation can be submitted using a smartphone or scanner. Students access [mtsu.edu/evea](https://mtsu.edu/evea) to upload your documents.**

## Email

To help protect your privacy, MTSU will communicate with you using the **MTMail** email account given to you during your admission to the University. Faculty may also communicate with you through your D2L email account. It is your responsibility to check your MTSU email accounts, read email sent to you, and respond using these accounts. Use your **MTMail** for communication to and from faculty/University offices.

## Enrollment Verification

Enrollment verification is available through PipelineMT. You can find instructions on how to obtain an enrollment verification certificate at [mtsu.edu/enrollmentverification](https://mtsu.edu/enrollmentverification).

## Financial Aid Satisfactory Academic Progress (SAP)

One factor in being eligible to receive federal, state, and some institutional financial aid (including federal loans) requires students to maintain Satisfactory Academic Progress (SAP). Three areas monitored in SAP are grade point average (GPA), passing percentage (Pace), and maximum attempted hours.

Students are often confused about why they are not considered to be in financial aid good standing when they have a good GPA. The Registrar’s Office (for undergraduate students) and the Graduate Office (for graduate students) monitor a student’s GPA. They notify students of any academic probations or suspensions based on GPA. If suspended, the student must follow their appeal instructions.

Federal regulations also require the Financial Aid Office to monitor a student’s passing percentage (Pace) and attempted hours. Often, withdrawing from courses, which may not negatively affect GPA, can cause a student to fall below an overall combined pass rate of 67% or reach his/ her maximum attempted hours before graduating. This can mean losing eligibility for financial aid.

All students are encouraged to read and understand the Financial Aid Satisfactory Academic Progress Policy. To read more about SAP, visit [mtsu.edu/financial-aid/policies.php](https://mtsu.edu/financial-aid/policies.php). Understand the rules so that you can maintain your financial aid.

## Graduation Information

Graduation information such as ceremony dates, instructions, caps and gowns, etc., can be found at [mtsu.edu/graduation](https://mtsu.edu/graduation) for undergraduate students or [mtsu.edu/graduate/graduation](https://mtsu.edu/graduate/graduation) for graduate students.

## ID Cards

The MTSU BlueID card identifies MTSU students, faculty, and staff for access to campus services and privileges. Use the BlueID card to check out books at the library, print and copy, be admitted to campus computer labs and residence halls, attend campus events and purchase extra tickets, receive student health services, and pay for food via student meal and budget plans. It can also be used as a debit card on campus. The MTSU BlueID Office is open Monday–Friday from 8:00 a.m. to 4:30 p.m. in SSAC 112.

## Immunization Requirements

Please visit the following link for information on immunization requirements from the State of Tennessee: [mtsu.edu/healthservices/Immunizations.php](https://mtsu.edu/healthservices/Immunizations.php).

## Information Technology Help Desk

The Information Technology Help Desk is staffed seven days a week when classes are in session (except University holidays). Experienced personnel can answer hardware, software, password, and other computing questions. Contact the Help Desk at (615) 898-5345 or email [help@mtsu.edu](mailto:help@mtsu.edu).

Hours of operation when classes are in session:

Sunday: 2:00 p.m.–9:00 p.m.

Monday–Thursday: 7:00 a.m.–9:00 p.m.

Friday: 7:00 a.m.–4:30 p.m.

Saturdays: 9:00 a.m.–4:00 p.m.

## MT One Stop

MT One Stop is on the second floor of the Student Services and Admissions Center (SSAC) and can assist students with financial aid, records, registration, and student accounts.

MT One Stop can

- provide student transcripts and assist with enrollment verification
- help students complete the FAFSA verification process

- provide information about billing, financial aid, and scholarship applications

For hours of operation and a list of enrollment coordinators or to learn more information about MT One Stop, please visit [mtsu.edu/one-stop](https://mtsu.edu/one-stop).

## Parking Permits

Each vehicle parked on campus must have a current valid parking permit displayed in the vehicle. Parking permits are issued only after all registration fees are paid/confirmed. Permits are issued at the Parking and Transportation Services Office at 1403 E. Main Street, in the rear of the building. Students must bring their license plate number and a photo ID with them to receive their parking permits. For more information, refer to the Traffic and Parking Regulations booklet or visit [mtsu.edu/parking](https://mtsu.edu/parking).

## PipelineMT Password— Create or Change

For new students who have never accessed their PipelineMT account or those who want to change their password or have forgotten their password:

1. Go to [mtsu.edu/changepw](https://mtsu.edu/changepw).
2. An email with an encrypted link that is valid for one hour will be sent to your personal email address (provided it is not a @mtmail.mtsu.edu or @mtsu.edu address).
3. Select the encrypted link and follow instructions.
4. Your username will be displayed. Students will be prompted to create a password within the parameters given. The initial password is created by the student.
5. A notification of a change to your account will be sent to your **MTMail** email account as an extra level of security.

## Prescribed Course Placement

All students who were placed into prescribed courses based on the ACT/SAT/University Placement Test must enroll in and complete the designated courses in sequence. MTSU policy prohibits students from dropping prescribed courses except under extenuating circumstances and with the approval of University Studies. A student desiring to drop a course must contact University Studies by calling 615-898-2568 or visiting KOM 103A to begin the process. Failure to comply will result in an automatic grade of F/FA.

Failure to enroll in the designated courses can result in the student's course schedule being deleted. Additional information can be obtained by accessing the University Studies webpage at [mtsu.edu/uc/university-studies](https://mtsu.edu/uc/university-studies).

## Printing on Campus

Student printing is available at all University labs and is a privilege on campus for all active students. Students should be frugal and responsible when making printing decisions and not print unnecessarily and excessively. Printing should always be reserved for academic purposes only and not used for personal gain, i.e., advertising flyers, etc. Such nonacademic printing should be performed at Blue Print Solutions in the Student Union Building. Printing levels are monitored and you will be notified through the print management system when you are approaching an excessive amount of printing.

## Selective Service

Male students age 18 through 25 who have not registered with Selective Service or have not verified with MTSU their registration with Selective Service will have registration holds placed on their records and will not be allowed to register until the conditions for the hold have been satisfied.

According to federal law, you must register with the Selective Service system to attend a public university in Tennessee. If you have not registered with the Selective Service or you want to check to see if you have registered, you can go to [sss.gov](http://sss.gov).

Once you have registered with Selective Service, you will need to complete the Selective Service Verification form, which you can obtain at MT One Stop (SSAC) or at [mtsu.edu/mtosforms](http://mtsu.edu/mtosforms).

## Transcript Requests

Official transcripts can be requested and picked up immediately at MT One Stop. A photo ID is required.

Transcripts may also be ordered through **PipelineMT, Registration & Student Records, Academic Records, and Transcripts – Order Official**; by using a smartphone or scanner and attaching the signed Transcript Request Form and sending it to [records@mtsu.edu](mailto:records@mtsu.edu); or by faxing the form to 615-898-5538. For more information, see [mtsu.edu/transcripts](http://mtsu.edu/transcripts).

## University Withdrawals

If a student wishes to drop an individual course, the drop may be completed via PipelineMT until the withdrawal deadline (refer to dates on page 4 or 9). After the withdrawal deadline and with appropriate approvals, a student may drop an individual course by submitting a signed Drop Form to MT One Stop. If students have extenuating circumstances and need to withdraw after the withdrawal deadline (e.g.,

medical, death in family, etc.), they should email, fax, or bring appropriate documentation to substantiate the extenuating circumstances to MT One Stop (SSAC). MTSU does not have a medical withdrawal. All withdrawals are based on documentation and the date of the extenuating circumstance. For all retroactive withdrawals, requests within one year of the end of that term will be considered only if the student presents acceptable documentation of extenuating circumstances.

## Veterans

For returning veterans and those currently serving in the military, the certification of benefits process at MTSU is online. Go online to MTSU's PipelineMT, then look for the Veteran menu. Students who have served in the military but no longer receive benefits may be eligible for other benefits; to inquire about eligibility, submit a copy of the DD214 to the Charlie and Hazel Daniels Veterans and Military Family Center (VMFC), KUC 124.

New freshmen and new transfer students should contact the Daniels Center to start the benefit process at [mtsu veterans@mtsu.edu](mailto:mtsu veterans@mtsu.edu), or call 615-898-2601 or 615-898-5040.

For more information, go to [mtsu.edu/military](http://mtsu.edu/military).

### Veterans' Dependents' Post-Secondary Education Assistance

Pursuant to T.C.A. § 49-7-102, certain statutory fee exceptions exist for dependents and spouses of military personnel killed, missing in action, or officially declared a prisoner of war while serving honorably as a member of the armed forces during a period of armed conflict. Contact the Daniels Center at 615-898-2601 or 615-898-5040 for more information.

## Waitlists

Select courses offer the option to join a waitlist for a closed section. If waitlist seats are available on a closed course, you will receive a closed class error message with the option to join the waitlist after entering the CRN on the "Add/Drop Classes" page in Pipeline. After adding to the waitlist, you may be offered an open seat in that section based on the order you joined the waitlist. When a seat opens an email is generated and sent to your MTMail account, along with a deadline for you to log on to Pipeline and add the class to your schedule. If the deadline passes and you did not register for the offered section, the option is removed and the seat offered to the next person on the waitlist. For more information about waitlists, visit [mtsu.edu/registration/waitlist.php](http://mtsu.edu/registration/waitlist.php).

# DID YOU KNOW?

- DegreeWorks is available on PipelineMT. Select the **Registration & Student Records** link in the left menu and click on the **DegreeWorks** icon. Your degree evaluation will display based on your current degree program. The **Look Ahead** option allows you to enter courses you are planning to take to see how they will apply toward your degree. This feature can be helpful to ensure your course is Course Program of Study (CPoS) eligible. The **What If** option allows you to see how your courses will apply if you change your catalog or program/major/concentration/minor or are thinking about adding another major/concentration/minor. You can also see any approved exceptions/substitutions/changes.
- Students may only receive federal financial aid for coursework that counts toward unmet requirements in their officially declared program of study. Dropping or not attending can affect your eligibility for current and/or future aid. For more information, visit our FAQ website at [mtsu.edu/cpos](https://mtsu.edu/cpos). To view which of your registered courses are eligible degree requirements for federal aid, go to **PipelineMT**, the **Registration & Student Records** menu, and the **Coursework Toward Program of Study** link.
- Multi-factor authentication (MFA) is required for all MTSU students. MFA is a way for you to protect your MTSU accounts by requiring two pieces of evidence to verify you are you. The first is something you know, which is your password, and the second is something you have, such as your phone. To learn more, visit [mtsu.edu/security/mfa.php](https://mtsu.edu/security/mfa.php).
- The Regional Scholars Program offers a reduced out-of-state tuition rate for undergraduate students who met the required ACT/SAT score and graduated from a high school in a county in one of the eight bordering states to Tennessee or a county within a 250-mile radius of MTSU. For requirements of the program, see [mtsu.edu/financial-aid/scholarships/regional-scholars.php](https://mtsu.edu/financial-aid/scholarships/regional-scholars.php). Eligibility for graduate students can be accessed at [mtsu.edu/graduate/funding.php](https://mtsu.edu/graduate/funding.php).
- Navigate is an information, communication, and appointment scheduling platform where students can schedule appointments directly with their advisors. You can access the Navigate platform in PipelineMT by selecting **Registration & Student Records** and **Schedule an Advising Appointment** in the Priority Registration Tools box or access it directly at [mtsu.campus.eab.com](https://mtsu.campus.eab.com) using your PipelineMT login credentials. For more information or questions, please contact the Office of Student Success at 615-494-8650.
