Student Government Association

Student Organization Partnership Application

2022 – 2023

The purpose of the Student Organization Partnership is for student organizations to host events in concert with the Student Government Association. The student organization should have an event in mind that it wants to and partner with SGA in terms of planning, promoting, and executing the event. SGA is not a resource for funds. However, if you are in need of funding for your organization for an event, please be sure to go to [Student Activity Fee Information](#) or contact Jackie Victory, the Director of Student Organizations & Services, for more information.
