

SGA Resolution No. 5-04-F

A Resolution to place a link on the Pipeline homepage for students to access a site where they can post resolutions that they would like to see be passed through senate and/or changes they would like to see on campus.

Whereas: The SGA Senate serves as the voice of the student body.

Whereas: This website would allow for the student body to have a direct voice to SGA members so that the SGA could better perform its job

Whereas: Senators are looking for ideas for legislation to effectively impact students.

Whereas: Senators are categorized by college, so students posting on the site would be required to fill in a college field.

Whereas: The site would allow for senators and SGA members to see what specific changes students would like to see by college.

THEREFORE, LET IT BE RESOLVED BY THE 67TH SGA CONGRESS STUDENT GOVERNMENT ASSOCIATION OF MTSU THAT:

Section 1: There will be a link permanently placed on the Pipeline homepage that allows MTSU students to post resolutions they would like to see passed through Senate and/or changes they would like to see on campus

Section 2: The post site would require the student to include his or her college so that the senators can distinguish between posts more easily

Section 3: This web site would allow for the SGA to more effectively be the voice of the student body.
