

SGA Resolution No. 26-05-S

A Resolution to allow students to play on as many intramural teams as they wish, as long as the teams are not in the same league.

Whereas: Students are often times involved in several organizations that participate in intramural sports, and

Whereas: These students should not be forced into choosing one organization over another, and

Whereas: Intramural games are an excellent recruiting tool for campus organizations, especially Greek organizations, and

Whereas: According to the Recreation Center's mission statement, its purpose is "to serve and educate the MTSU community through opportunities for fun and wellness."

THEREFORE, LET IT BE RESOLVED BY THE 67TH CONGRESS OF THE STUDENT GOVERNMENT ASSOCIATION OF MTSU THAT:

Section 1: Students will be allowed to play on as many intramural teams as they wish, as long as the teams are in different leagues.

Section 2: If the teams that one student plays for ever compete against each other in inter-league play, the student will choose one team at that time for the duration of the championship or tournament.
