

SGA Resolution No. 14-06-F

A Resolution for freshmen living on campus to have the ability to choose among all available meal plans instead of the current 2 meal plans.

Whereas: Many students do not like the on-campus food and should not have to spend over \$1000 dollars for food they will not eat,

Whereas: Currently freshmen, who live on campus, can purchase a meal plan of 10 meals a week and \$350 flex dollars a semester or unlimited meals with \$150 dollars a semester,

Whereas: Giving on-campus freshman a wider selection to consider will be more economical to those students,

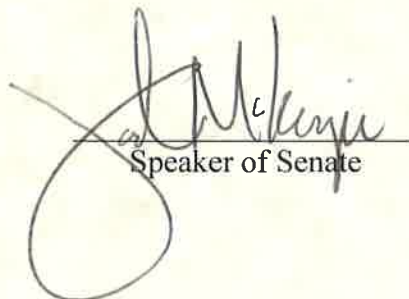

Whereas: The two options that are currently unavailable to on-campus freshmen are Block 160, which is 160 all-you-can-eat meal plans anytime throughout the semester and \$300 flex dollars, and Block 80, which is 80 all-you-can-eat meals any time throughout the semester with \$350 flex dollars,

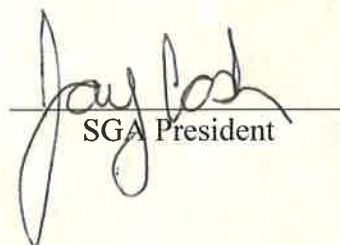

**THEREFORE, LET IT BE RESOLVED BY THE 69TH SGA CONGRESS
STUDENT GOVERNMENT ASSOCIATION OF MTSU THAT:**

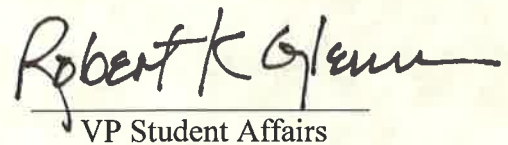

Section 1: Freshmen living on campus may choose among all possible meal plans instead of the current 2 options.
