

**SGA Resolution 05-08-S**

**A Resolution to increase the number of student representatives on each Grade Appeals Committee.**

**Whereas:** Presently there is only one student representative that serves each committee as compared to the four faculty/staff members serving,

**Whereas:** This student/faculty ratio is not a fair representation for the student body,

**Whereas:** This unfair representation may result bias (or unmerited decisions) against the student presenting his/her case to the committee,

**Whereas:** A closer ratio of students to faculty would create a more just system for evaluating these appeals.

**THEREFORE, LET IT BE RESOLVED BY THE 70<sup>TH</sup> CONGRESS OF THE STUDENT GOVERNMENT ASSOCIATION OF MIDDLE TENNESSEE STATE UNIVERSITY THAT:**

**Section 1:** The Grade Appeals Committee for each college should be composed of four faculty members and three students.
