

SGA Resolution 5-12-F

A resolution to display "Senator Profiles" representing each of the colleges.

Whereas: The importance of senator recognition by our constituents is vital to the purpose of SGA;

Whereas: The concept of "senator profiles" in the colleges originated from opinions expressed by several students in our Student Surveys;

Whereas: Placing a brief profile of a college's senator would be an efficient and effective way to promote the senators and increase their recognition with constituents.

THEREFORE, LET IT BE RESOLVED BY THE 75th CONGRESS OF THE STUDENT GOVERNMENT ASSOCIATION OF MIDDLE TENNESSEE STATE UNIVERSITY THAT:

Section 1: The Public Relations committee of the SGA shall make provisions for posters featuring brief profiles of the senators from their respective colleges to be displayed in an area of the buildings where such promotional material would be considered appropriate.

Section 2: These profiles should feature, but shall not be limited to:

- A picture of the senator
- A brief description of their involvement in SGA and other organizations
- An appropriate way to contact the senator (MTSU e-mail, etc.)

Section 3: Each senator from the college should be featured at some point during the year.

Section 4: All other privileges in relation to the creation and placing of these posters shall be delegated to the Public Relations committee and the placement will be determined in conjunction with the colleges and facility coordinators.

RE: SGA Resolution 5-12-F

DATE: December 19, 2012

I have reviewed the attached resolution and I am, herewith, returning this legislation to you. This is similar to legislation that was forwarded to me in April 2012. We sent this to the Deans of the Colleges in April 2012 asking for their response. I would suggest that the SGA create the profiles of the senators and send those to me. We will forward these to the Deans asking that they be displayed in their College. I would suggest that each profile should not be larger than 8 ½ x 11" and should include photo and bio, such that they can be reproduced.

Should you have questions, please feel free to contact me.
