A Word from the Director

It is that time of year again to celebrate 108 years of True Blue pride here at Middle Tennessee State University. Homecoming 2019 is sure to be a great time as we bring the spirit of the wild safari to Murfreesboro, and celebrate this special homecoming the True Blue Way in “BLUE RAIDER SAFARI”. With the help of the student body, faculty, staff, alumni, and community, we can make this the best homecoming that MTSU has ever seen as we play against our opponents, Florida International University, in the Floyd Stadium! We are looking forward to the hard work that each of our campus organizations and community members put in each year, but we cannot have the best homecoming without you! So grab your binoculars and find your hat as we continue on a safari! It is time to get WILD in the BLUE RAIDER SAFARI rowdy raiders!

Sincerely,
Nate Parris

General Competition Rules

The theme for the 2019 Middle Tennessee State University Homecoming shall be:

“Blue Raider Safari”

This theme may best be described by:

As we compete against Florida International University, we are on a SEARCH for those Panthers. Grab your camera, and ready your backpacks because we have a SAFARI to catch! Our Blue Raiders are ready to STOMP the field and take the GAME. We are ready to finally CAPTURE the Panthers and ride on to victory!

The following rules, events, and activities were developed by the 2019 Homecoming Committee. Please read all rules and regulations carefully prior to homecoming events/activities to avoid any misunderstanding, incorrect interpretation, and possible disqualification from the homecoming events. Any questions should be directed toward the 2019 Homecoming Director.

1. All official homecoming entry forms must be completed and turned in to myMT, no later than **12:00 PM on Friday, October 18th, 2019**. Official homecoming entry forms must be submitted in order to complete the approval process determined by the Student Government Association Homecoming Committee.

2. Groups and organizations working together must note their partnership on the official entry forms. Groups and organizations must complete official entry forms individually and must both acknowledge the partnership on entry forms. If an organization is partnered with another organization, they do not necessarily have to enter every competition as partners.

3. All times and deadlines are strictly enforced. Refer to individual event rules and regulations for deadline information.

4. **All decisions of judges will be kept confidential until the 2019 Homecoming Committee makes its official announcements. All decisions of the judges are final.** Moreover, official rules are left up to the judge’s discretion to interpret the rules as they see fit.

5. Official appeals must be made within 48 hours of the specific event in question. All appeals must be filed in writing with SGA Homecoming Director and the Director of Student Organizations and Service at sgahome@mtsu.edu and jackie.victory@mtsu.edu.

6. Since MTSU is a dry campus, we strictly enforce the “No alcohol” policy at all events and competitions. Organizations that are caught drinking or carrying alcoholic beverages during the SGA Homecoming events will be disqualified from the event. Further action may be taken however the homecoming committee sees fit.

7. Individuals or organizations who fail to adhere to the general rules and regulations must meet with the Homecoming Committee and Homecoming Advisor.

8. Winners from each event and category will be announced on Saturday, October 26th, at 1:00 PM in Walnut Grove.

9. **NOTE:** All on-campus locations listed are subject to change.

---

**All Student Government Association Sponsored Homecoming Week Events Are Subject To Change. All Changes Will Be Announced Via Email, Pipeline, MyMT, SGA Website, And Social Media To Organization Homecoming Chairman & Organization President.**
Working Together

The purpose of Homecoming is to come together as MTSU students, to celebrate school spirit, and welcome our alumni back to campus. As a result, the Homecoming committee encourages student organizations to work together in all Homecoming events and activities. Organizations that join together for these events will be referred to as “teams.”

Student organizations may be paired and work together. If student organizations do pair up, they are not required to pair up for all events. Remember sometimes participating separately can result in more points for your team effort!

SGA Sponsored events:
- Fight Song
- Sign Competition
- Paint the Halls Blue (Residence Halls & Campus Departments)
- Paint the Doors Blue (Student Organization Advisor Doors)
- Kick-Off Event
- Pumpkin Wars
- Chili and Mac & Cheese Cook-Off
- Homecoming Games
- Homecoming Yard Party
- Parade Competitions
  - Float
  - Non-Float
Point System

We will have overall winners in the following categories: Residential & Housing, Student Organizations, and Fraternity and Sorority Life. Each of the competitions that are hosted is designated a certain number of points that may be accumulated. Points will be calculated and kept in a spreadsheet to determine overall winner. Winning complex, organization, and team will receive an award at the end of Homecoming Week and will be announced on our Homecoming Social Media sites.

All departments may participate in any SGA sanctioned events to compete in the individual events, but only these will be used to calculate overall winners in each division.

Fight Song

The MTSU Fight Song Competition will be held during MTSU’s Week of Welcome at 7:00 PM on Thursday, August 29th, 2019 in the Murphy Center. The seating to the event will be available an hour before show time. The Fight Song is designed to display school spirit. It should reflect originality, creativity, and pride in our university. The theme for this year’s fight song is "Blue Raider Safari!" Entries may incorporate anything their team feels complies with the theme. If you have any questions on whether or not something is acceptable, refer to:

1. Mandatory Fight Song meeting will be June 24th, 2019, 4:00 PM, in STU Parliamentary Room. A member from each organization must be present regardless of partnership (example: Homecoming Chair/Fight Song Chair)

2. This year, teams will not be charged a fight song fee. We feel that there is no need when in the past organizations have followed the rules and cleaned up after themselves. It is the organization’s responsibility to remove all props, costumes, makeup, etc. If materials are left on stage or if changing facilities are not properly cleaned following the show, or any damage occurs, you will be charged for the damages occurred.

3. Organizations may begin practicing immediately after the informational meeting. No groups may congregate prior to this date.

4. Groups must submit official entry form, list of songs, and lyrics, and may begin submitting these at 8:00 AM on July 1st, 2019. Song availability is on a first-come, first-served basis. Groups must send song list and lyrics to sgahome@mtsu.edu by 4:30 PM on July 19th, 2019. To avoid duplication of songs, songs will be time stamped, and the organization first requesting the song is allowed and all others (if duplication occurs) must choose another song. There is no need to bring these to the SGA office. Songs and lyrics will only be accepted through email.

5. Participating organizations must arrive to rehearsal location at least 30 minutes prior to their designated rehearsal time. Each organization will be notified of the check in location and their designated rehearsal time.

6. All props are due at the Murphy Center 3:00 PM on show day. Any team with props not in place by 3:00 PM will receive a 5-point deduction from their final score. Any props submitted after 5:00 PM on show day will not be accepted for use in the show.
7. Each team has seven minutes for their performance. Time will begin as soon as the first sound is sung, spoken, or played. Timing will end when the music stops. One point will be deducted for each 20 seconds over. (Note: If performance is 7 minutes and 15 seconds, you will still be deducted one point.)

8. Each team will have four minutes to set up and four minutes to take down any props. Any group exceeding the four minute set-up and/or tear down will be penalized 1 point per minute.

9. All props must be carried on and off the stage using the stairs or ramp on the side of the stage. If damage occurs due to an organization’s method of setup / tear down, the organization will be held responsible for any damages caused to the facility, stage, or the curtain set up behind it.

10. Props may be used as long as participants carry them on and off stage. Any items left on stage will result in a 10 point penalty. Props may not exceed 12 feet high. Each group must have designated individuals responsible for securing each props position. Props must be sturdy enough to stand without falling.

11. Absolutely no glitter / confetti. If any glitter is used, the team will be disqualified.

12. The MTSU Fight Song must be sung in its traditional form first. After the first time through, the MTSU Fight Song may be sung in any non-traditional form. Only the words in the fight song may be used, however they may be sung in any order. Speaking parts do not have to follow this rule.

13. Absolutely no build-ups or stunts. Stunts may be defined as 3-person pyramids, etc. No one is permitted to jump off the stage. Stunts will also be defined as a person getting onto another person’s shoulders. Pursuant to general competition rules, SGA accepts no responsibility for accidents or injuries before, during, or after the performance.

14. Two instruments may be used during the performance. (Instruments are anything extra brought on stage to make sound. Examples: microphone, trumpet, etc.) Any necessary equipment must be requested before August 14th, 2019 by 4:30 PM. Pre-recorded music may be used, however, it may not have lead vocals, or it will count as one of the instruments used. It is up to the judges’ discretion to determine if the pre-recorded vocals overpower the performance. ***

15. The team must provide a person to help the sound technicians with the music. Groups must have the music into two different forms. For example: A flash drive can be brought and the music can be put on a phone. If a phone is used, it must be able to go onto airplane mode.
16. Music, Lighting Cues, and a Script of your group’s performance must be submitted for screening to sgahome@mtsu.edu. The deadline is August 14th, 2019 by 4:30 PM. ***

17. Only active members of organizations are allowed to participate or assist in the Fight Song competition in any way, with the exception of music editing. NO OUTSIDE CHOREOGRAPHY IS ALLOWED AND NO HELP FROM ALUMNI. Violation of these rules will result in immediate meeting with the homecoming committee and advisor. Violations may result in disqualification.

18. Maximum number of participants per performance may not exceed 35. It is not required to use all 35 participants, and the number of participants will not be a determining factor for the judging of fight song. ***

19. Music, vocals, and speaking may not include profanity or offensive jesters.

20. Fight Song will be included in the Overall Homecoming Competition and will go towards Lightning’s Cup.

21. All decisions made by the judges are final. Judging will be based on the following:

<table>

Parade & Non-Competitive Entries

The Homecoming parade is one of the longest standing traditions of Middle Tennessee State University. It is the best way to unite and feature the community of students, alumni and local residents. Anyone has the opportunity to be recognized by walking in the parade or building a float. For those interested in participating in the parade please check the webpage for information, route location and forms.

1. All entry forms for parade are to be submitted to www.mtsu.edu/mymt by 4:30 PM on Friday, October 25th, 2019.

2. Entries must be in good taste supporting MTSU spirit. The Homecoming Committee reserves the right to reject and/or disqualify any entry not in compliance with contemporary community standards.

3. All participants must conduct themselves in a respectable, sportsmanlike manner at all times. The Homecoming Committee reserves the right to limit individual student, alumni, or any other participation in the Homecoming Parade. If an individual participant cannot maintain the appropriate conduct as defined by contemporary community standards, he/she will be asked to leave the parade, float, or vehicle and site. If that individual refuses to leave the vehicle or float (including the immediate area) that group will be immediately disqualified from the event.

4. Where applicable, each group must, as a part of their official entry, designate a qualified, sober (meaning NO alcohol has been consumed) driver for the entry and any other vehicle used in the parade. The Homecoming Committee reserves the right to determine the satisfactory state of each driver and may disqualify a driver if he or she does not meet the agreed standards. Upon disqualification of the driver, the entire entry will also be declared ineligible to participate in the parade.

5. Participants may choose to either enter a float, vehicle, or a non-float entry. The 2019 Homecoming Committee must approve all entries. Once the Homecoming Committee receives an entry form no changes may be made.

6. All participants must be dressed in MTSU school colors (Royal Blue and White) or according to the 2019 theme while participating in the parade. Keep in mind that school spirit is considered for competition. Other school spirited items (balloons, pompoms, signs, etc.) are encouraged.
7. Floats may be pulled by any vehicle or means approved for street operations in the state of Tennessee. All float entries must be at the intersection of Bell St and Highland (old hospital parking lot) at 8:00 AM vehicles and walkers should arrive at 9:00 A.M., the parade begins at 10:00 AM. Any entry not in its correct location and checked in with the parade by this time will receive a penalty of five points for every 15 minutes late. All participants must be in the correct location on hour prior to parade Kick-off.

8. Participants should arrange to be dropped off at the parade check in location, as no through vehicles will be permitted.

9. **ATTENTION:** The check in location is the parking lot at the corner of Bell and Highland. **NO** cars will be allowed to park at the parking lot beside Oakland Mansion. People walking in the parade may park in the parking garage at the corner of Bell and Highland.
Float Competition Entry

Float decorations are a great way for your organization to display the spirit of MTSU and the homecoming theme. Organizations are welcome to work together to create a float to be displayed during the parade. A float is best described as a decorated platform, either built on a vehicle, truck or towed behind on a trailer. The rules stated in the General Parade rule will be considered along with the following are. If there are any questions, please contact the Homecoming Director.

1. Entries must be in good taste supporting MTSU spirit. The Homecoming Committee reserves the right to reject and/or disqualify any entry not in compliance with contemporary community standards.

2. All participants must conduct themselves in a respectable, sportsmanlike manner at all times. The Homecoming Committee reserves the right to limit individual student, alumni, or any other participation in the Homecoming Parade. If an individual participant cannot maintain the appropriate conduct as defined by contemporary community standards, he/she will be asked to leave the parade, float, or vehicle and site. If that individual refuses to leave the vehicle or float (including the immediate area) that group will be immediately disqualified from the event.

3. Floats may be pulled by any vehicle or means approved for street operations in the state of Tennessee

4. No person participating in the parade is allowed to be inside the truck bed, if the truck is pulling a trailer during the parade.

5. Each group must, as a part of their official entry, designate a qualified, sober (meaning NO alcohol has been consumed) driver for the entry and any other vehicle used in the parade. The Homecoming Committee reserves the right to determine the satisfactory state of each driver and may disqualify a driver if he or she does not meet the agreed standards. Upon disqualification of the driver, the entire entry will also be declared ineligible to participate in the parade.

6. No person participating in the parade is allowed to enter or litter on any private property (people’s yards, business, churches, etc.) If a group is found guilty of this, a 15 point deduction and you will be asked to leave the area.
7. **Floats must have at least one working fire extinguished on board at all times.** Any entry not having a fire extinguished will be disqualified. The homecoming committee will be inspecting floats at check in to ensure all entries meet this requirement.

8. The location of the float construction site must be on the parade entry form. The Homecoming Committee and Parade Director reserve the right to visit each site at any time throughout the building process.

9. Any float that has movement must have consistent movement throughout the parade route.

10. All size specifications will be strictly enforced. If an entry does not conform to the specifications for the event it will be automatically deducted 5 points per width, length, and height. **Indicated measurements are from skirt to skirt of the trailer.**

Non-float specifications will be determined on an individual basis.

11. **Judging of the float will occur at noon at each float site on Friday, October 25th, 2019.** Parade entries will be informed of their judging time prior to the parade. However, spirit judges will be placed at strategic locations throughout the parade route.

- School Spirit and Incorporation of Theme During Parade 25%

Non-Float Competitive Entry

The non-float entry is one of the less costly and more creative ways for organizations to be involved with Homecoming Parade. If your organization wants to be in the parade but does not have resources to create a float, this is a good way to participate. Organizations or individuals can choose to walk behind/ with a banner or a vehicle in order to be recognized in the parade.

1. Non-float entries may be described as an organization driving a car, golf cart or simply walking the parade route. An organization can choose to have a decorated banner to introduce their organization.

2. Participants should arrange to be dropped off at parade check in location at the corner of Bell and Highland, as no through vehicles will be permitted.

3. All participants must conduct themselves in a respectable, sportsmanlike manner at all times. The Homecoming Committee reserves the right to limit individual student, alumni, or any other participation in the Homecoming Parade. If an individual participant cannot maintain the appropriate conduct as defined by contemporary community standards, he/she will be asked to leave the parade, float, or vehicle and site. If that individual refuses to leave the vehicle or float (including the immediate area) that group will be immediately disqualified from the event. Murfreesboro Police will then be contacted and student will be sent to Judicial Affairs.

4. All participants must be dressed in MTSU school colors (Royal Blue and White) or according to the 2019 theme while participating in the parade. Keep in mind that school spirit is considered for competition. Other school spirited items (balloons, pompoms, signs, etc.) are encouraged.

5. All registered primary drivers should arrive at the parade start at 9:00 AM to get their spot in the parade. Participants should be at the intersection of Bell St and Highland (old hospital parking lot) one hour prior to parade start time to decorate their cart. 7. Vehicles entries can chose to be decorated before they arrive or on site. If you wish to be judged you will need to indicate this on the entry form, judging will take place on the parade route.

8. Each group must, as a part of their official entry, designate a qualified, sober (meaning NO alcohol has been consumed) driver for the float and any other vehicle used in the parade. Chili & Mac and Cheese Cook-Off

The Homecoming Chili & Mac and Cheese Cook-Off will be held at Floyd Stadium on Wednesday, October 23rd at 6:00 PM and ending at 8:00 PM. We are going to have three different divisions: Community, student groups, and alumni & friends. We welcome everyone to participate in this Homecoming event!

1. All entry forms are due to www.mtsu.edu/mymt by 12:00 PM on Friday, October 18, 2019. All deposits are due at this time, in the CSIL office.

2. For all groups, a non-refundable fee of $30 is required. This fee includes your chafing dishes, table, chairs, napkins, bowls, spoons, forks, and drinks. There is no refundable deposit this year for cleaning. In the event your organization fails to leave their area clean, they will be subject to fines. Please write a check for this fee payable to the Student Government Association.

3. Each of the three categories will all have a first, second, and third place winner for both chili and mac and cheese. The first place winners from each category will compete for “Lightning’s Ladle,” meaning the overall best chili and mac for the event.

4. No more than four “cooks” will be allowed in the booth area before and during the judging. These cooks must be identified on the entry form in order to be given a wristband. Although teams may be as large as each group desires, only four entry passes will be given to registered team members.

5. No generators for food warmers will be used. ALL organizations are required to use the provided chafing dishes to keep chili warm. Thermometer inspections will be given periodically throughout the cook-off to ensure chili is at the appropriate temperature. (All chafing dishes will be provided for each participant.)

6. One cafeteria style table, two chairs, chafing dishes, napkins, spoons, and bowls will be provided for each serving booth.

7. The maximum area for groups to decorate is 10’ x 10’. Because judging will also include appearance and incorporation of school spirit, groups are encouraged to decorate their booths according to the Homecoming theme and blue and white. Organizations may also use their “Letters” to decorate their location. The more blue and white or school spirited the decorations are the better (example: props, structures, balloons, streamers, etc.). Groups are encouraged, but not required to bring a tent to set up over their area. Years ago organizations would build a wood window to serve the chili out of and pomp the window for their “prop”.
