SGA Resolution 2-20-S-FC

A Resolution to Implement a Campus Clean-Up Campaign

Whereas: Heavily trafficked areas around campus tend to be littered.
Whereas: Some organizations want opportunities to keep campus clean and receive volunteer hours.
Whereas: The University does not have an initiative to keep campus clean with student cooperation.
Whereas: Other universities have sustainability campaigns that reflect a initiative to help eliminate campus litter.

THEREFORE, LET IT BE RESOLVED BY THE 82nd CONGRESS OF THE STUDENT GOVERNMENT ASSOCIATION OF MIDDLE TENNESSEE STATE UNIVERSITY THAT:

Section 1: Every year Student Government Associations philanthropic committee will oversee the Adopt – A - Spot Initiative. Registered student organizations can adopt areas on campus in order to keep the campus clean and presentable.

Section 2: Areas outside such as the Walker Library, Keathley University Center, Student Union, Peck Hall, and other heavily trafficked locations on campus will be adopted by an on-campus student organization.

Section 3: This initiative will take place during the week of Earth Day and if this date lands on a weekend or a day that the University is closed, it will be held on the nearest weekday during those years.

Section 4: This program will reflect University of Kentucky’s Campaign program. See https://www.uky.edu/sustainability/content/pick-it-adopt-spot-sign for program details.
